High School

THE ROAD GOES ON FOREVER

1978-79 was a year of individual achievement. We all started the year with high hopes and great ambitions. Many achieved these ambitions on the playing field or in the classroom. Those who feel as if they didn't fulfill their ambitions should not be discouraged, for everyone achieved at least one thing.

The freshmen achieved the distinction of being in high school. No longer were they little children going to grammar school; they were young adults attending high school. They have three years left in which to set their lifetime goals.

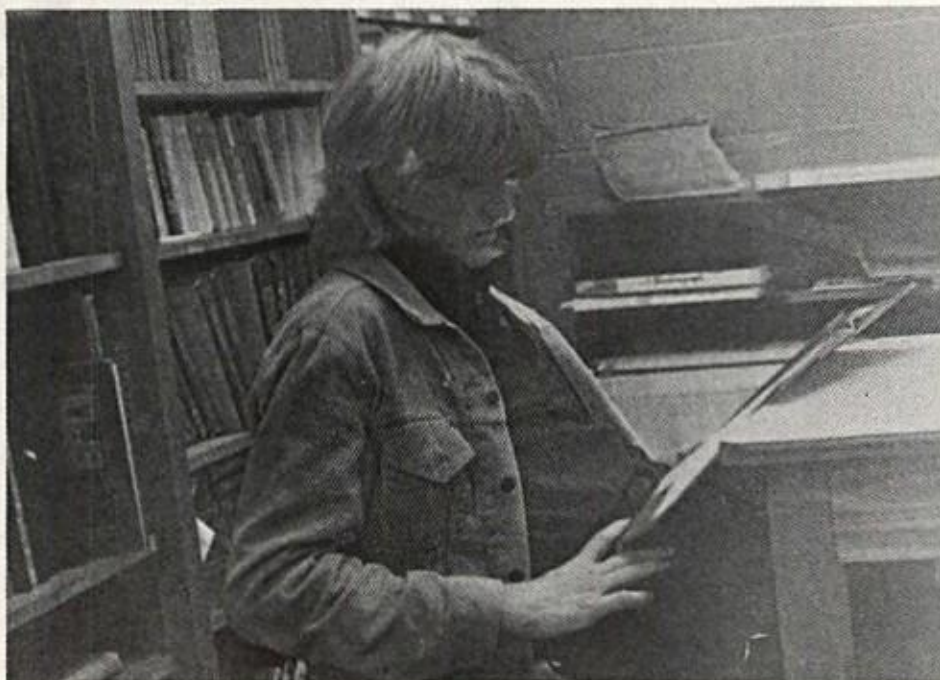

The sophomores were trusted with many responsibilities. Some received their driver's licenses during the year. Some realized that now was the time to start thinking seriously about their future. However, they still have two more years before any irreversible decision must be made.

Some of the juniors received their classrings during the year. They now had a valuable keepsake to cherish for the rest of their lives. They planned Prom '79, a great achievement for those who worked to make it a success. Many of them started deciding which college they wished to attend, or what line of work they wished to enter. They have but one year left to make their decisions.

The seniors faced the choice of going to college or starting out on a lifetime of work. It was an extremely difficult choice, decided on differently by each individual. We all realize one thing, however; our high school days were the happiest time of our lives.

So as you look over the following pages, study each one slowly and carefully, for they reflect a year of achievement that is gone, never to return.

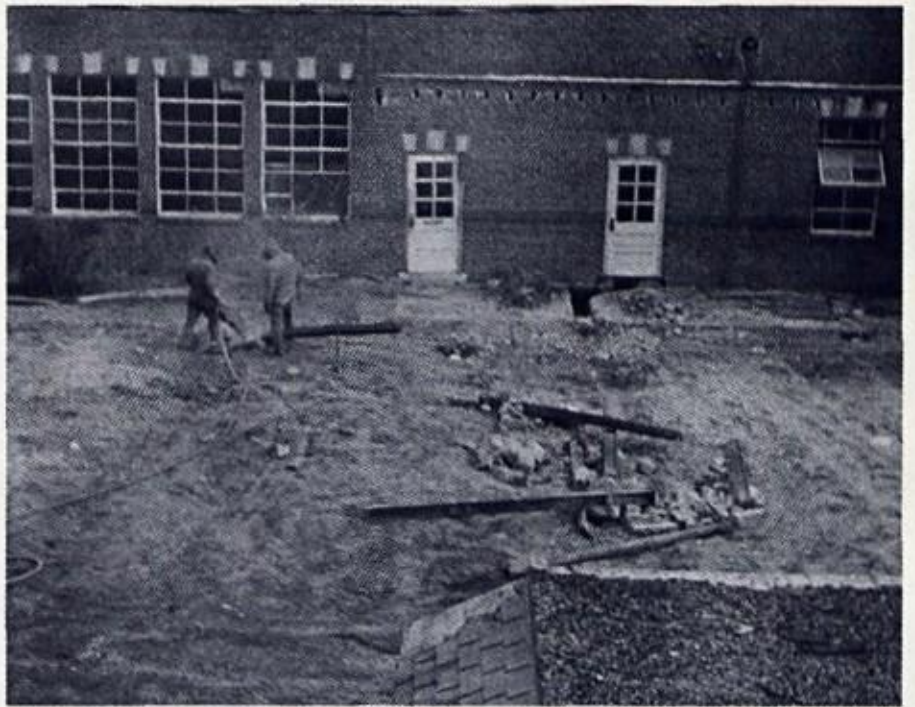

— Jeff Winslow

It's been a long time since the GALLEON staff has dedicated the annual to anyone in particular. So, this year, we decided we should try. We thought and thought, and finally came up with someone whom we, especially the seniors on the staff, thought deserved to have a book dedicated to them — the seniors, Class of '79.

The seniors have worked twelve long years to get where they are now. Last year, their junior year, they chose class colors, motto, flower, etc., in the usual tradition. The class motto chosen was "The road goes on forever." In keeping with the seniors, we have chosen their motto as the theme of this year's GALLEON. The road that runs through the book is symbolic of the road that each of us had to follow through life.

So seniors, here it is. Your book. We salute you for your work, and hope that the load you carry next year and in future years may be light as you travel down your road that leads on forever.

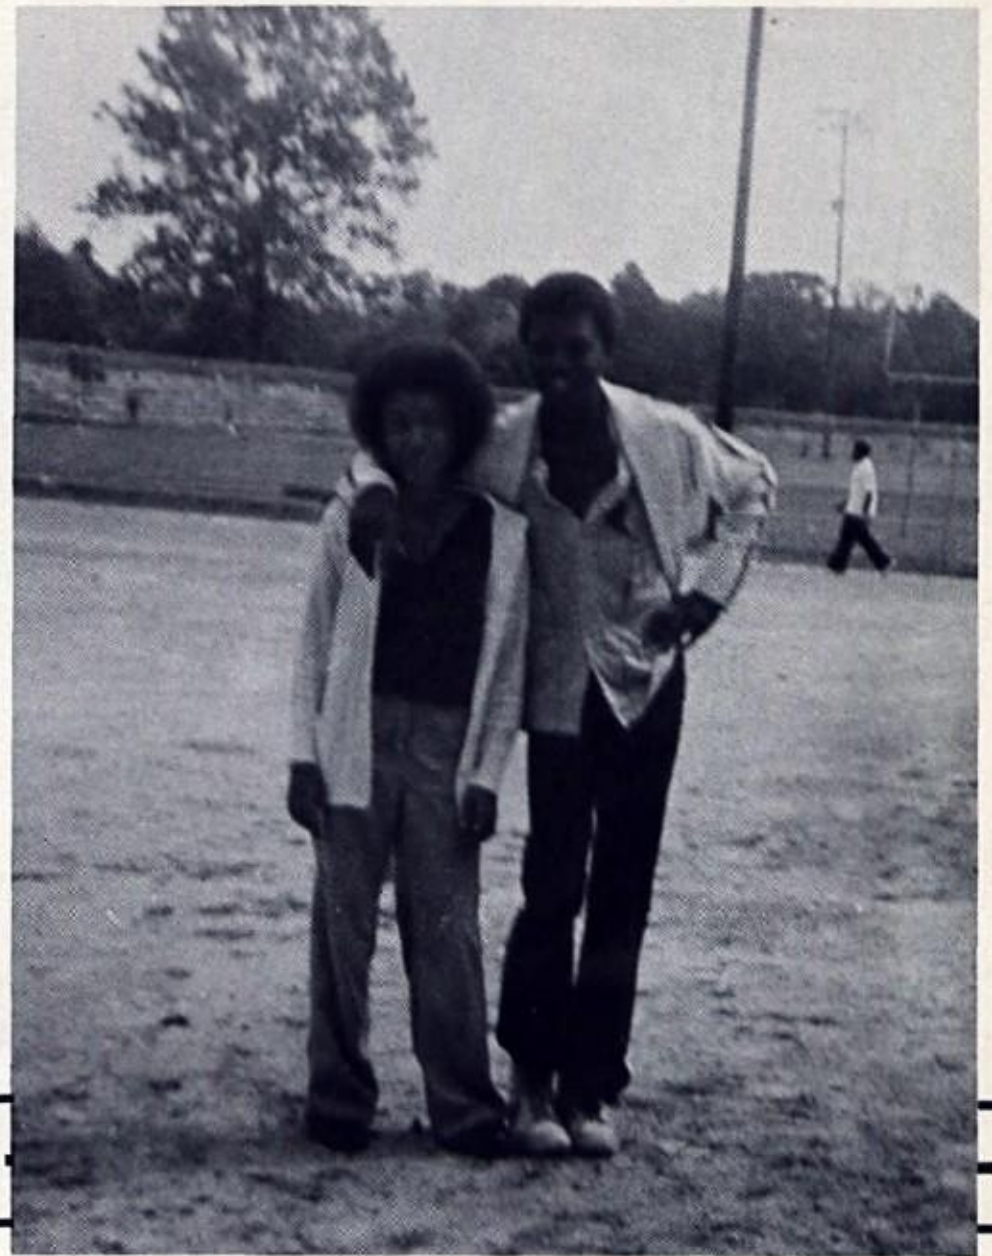

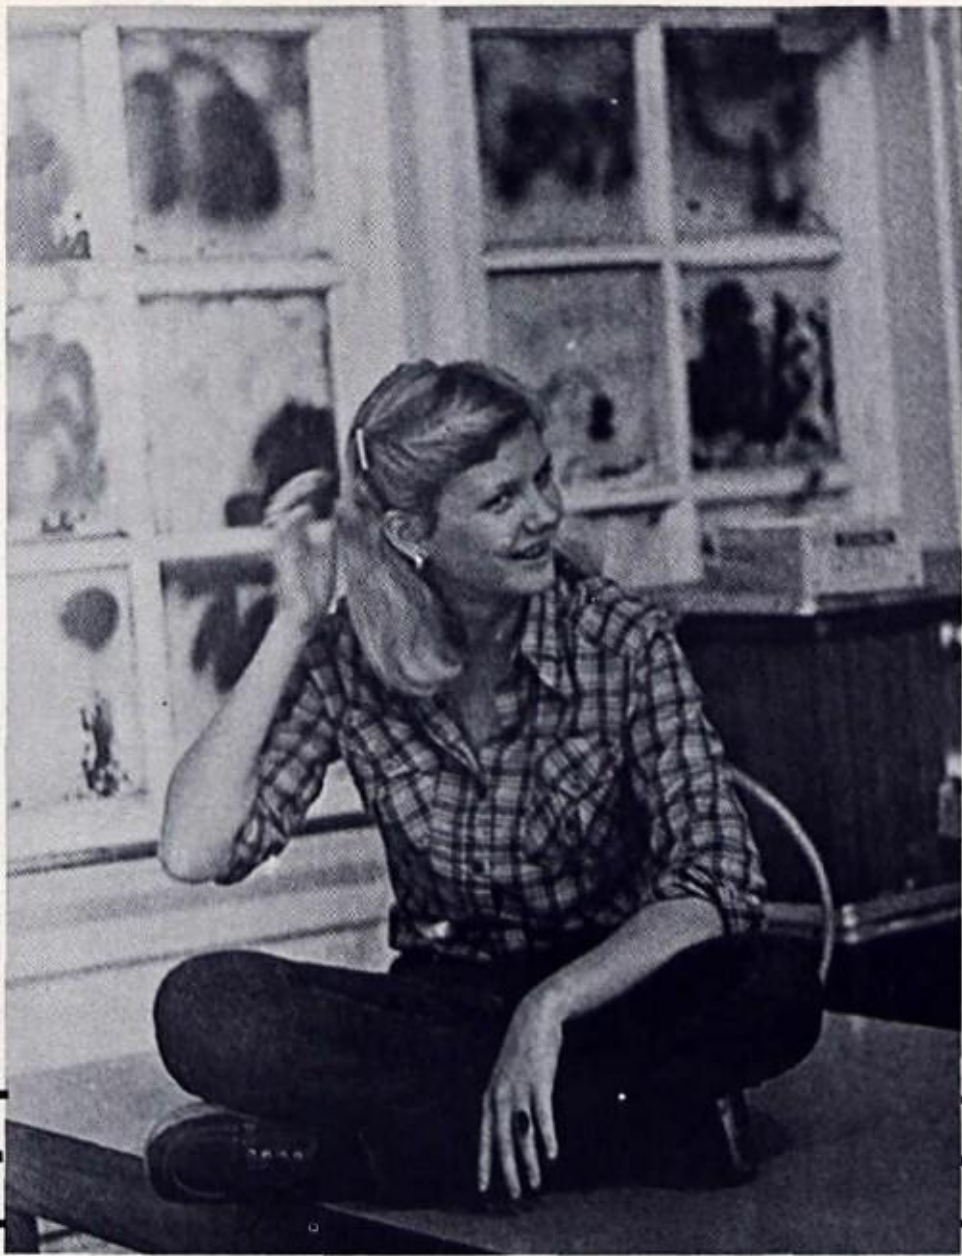

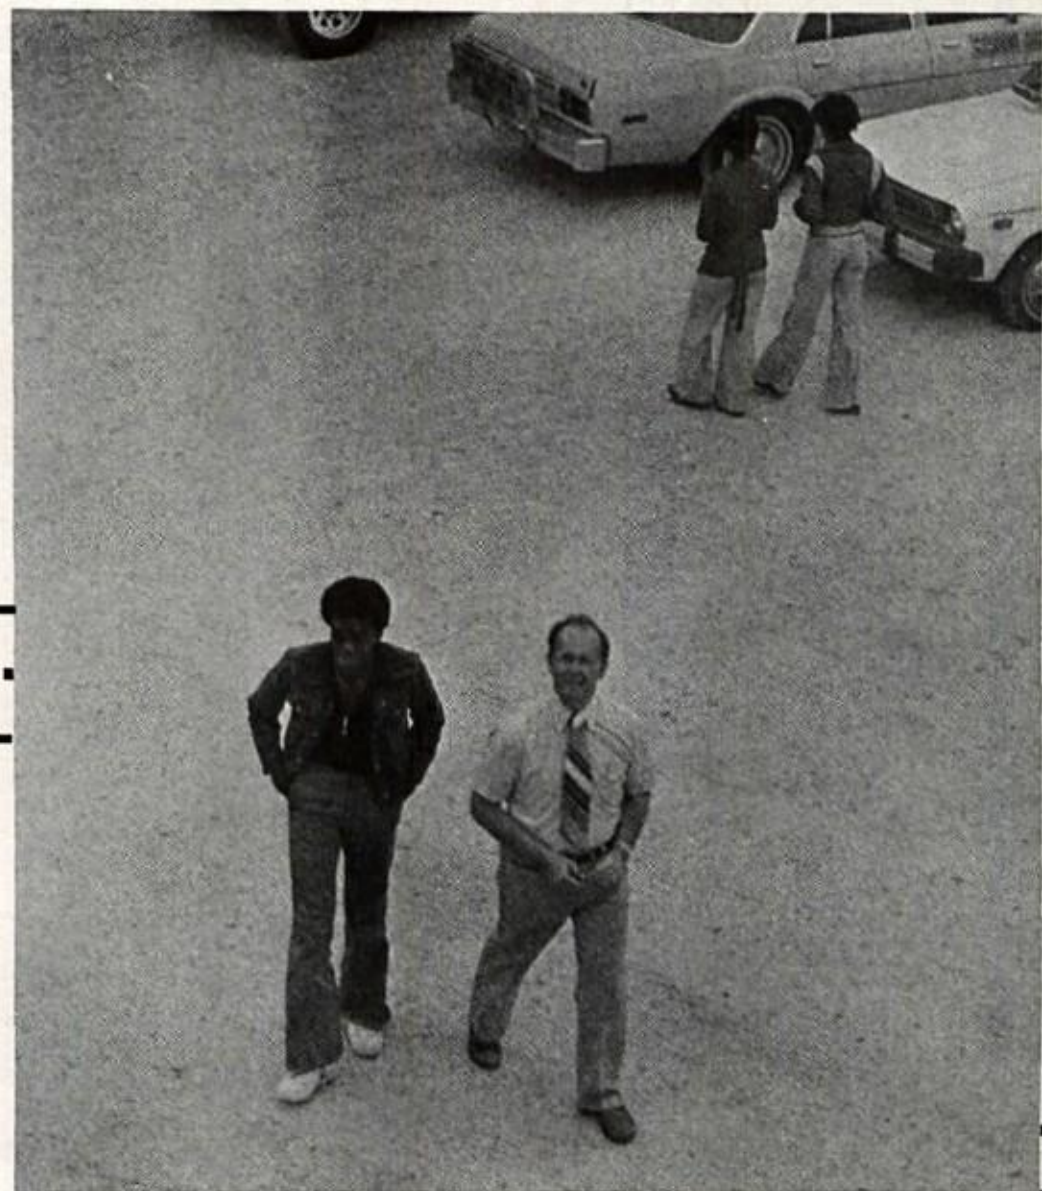

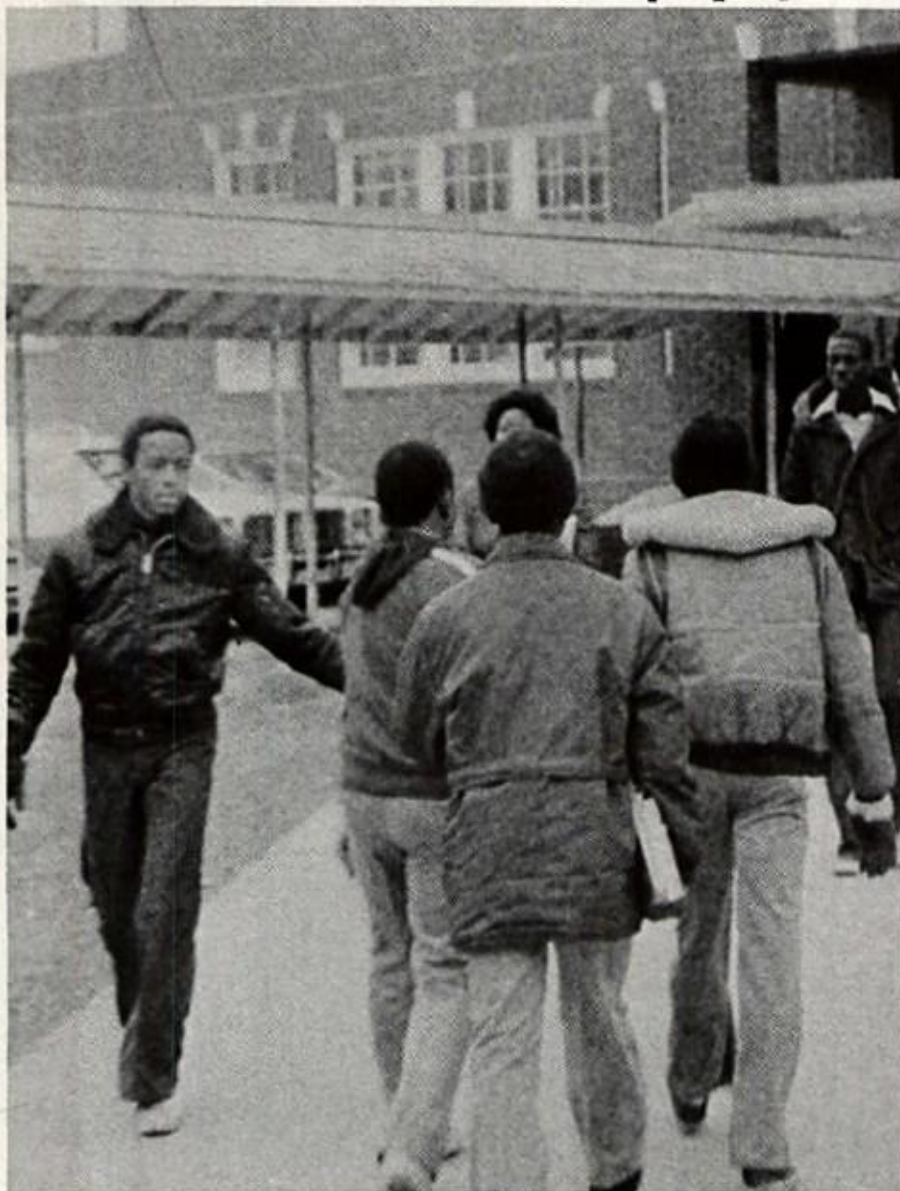

After the defeat of the bond referendum last year, the Perquimans County Board of Education began plans to use what funds they had available. They discussed plans with consultants and decided on the plans for new classrooms and renovation of the gym to provide new locker rooms.

The plans call for a new building between the gym and main building which will eventually house the administrative offices. Three new classrooms will be added to the library while the original three will be modified to enlarge the library itself. Another classroom building will be built beside the library and gym.

Preliminary construction began a few days before Christmas vacation. The new buildings are scheduled for completion by Christmas '79. The new additions should prove useful in years to come, providing space for new and diverse programs.

Senior year — a milestone in our lives. A milestone that was reached through hard work and careful planning.

Each of us is standing at a crossroads in our lives. Two roads are open to us; one that leads to work and another that leads to college and then to work.

Because there are two paths to follow, the road through the senior section is divided. The upper road leads to college, while the lower road leads straight to work. However, we do not intend to imply that if "you take the high road and I take the low road" that I'll be where I'm going first. We'll all reach our goals in due time. We will succeed, merely because we are the Class of '79. Let It Shine!

Senior Year Means . . .

. . . knowing that this is my last year to enjoy my freedom before joining America's working population. It also means saying "au revoir" (thank you, Mrs. Wright) to my fellow classmates and friends, whom I've come to know and respect over the past four years.

— Jeff Winslow

. . . coming out of high school and finding out what life is all about.

— Fred Rountree, Jr.

. . . my best and last year.

— Darryl Bowe

. . . being above everybody else.

— Danny Perry

. . . the last year of twelve of which I have attended school. Though I've been displeased with some moments of the past, there are many moments I would trade for nothing else in the world.

— Russell Lassiter

. . . that I'm the best and I made it all the way.

— Calvin Boone

. . . completing the twelve years of school that I thought would never end.

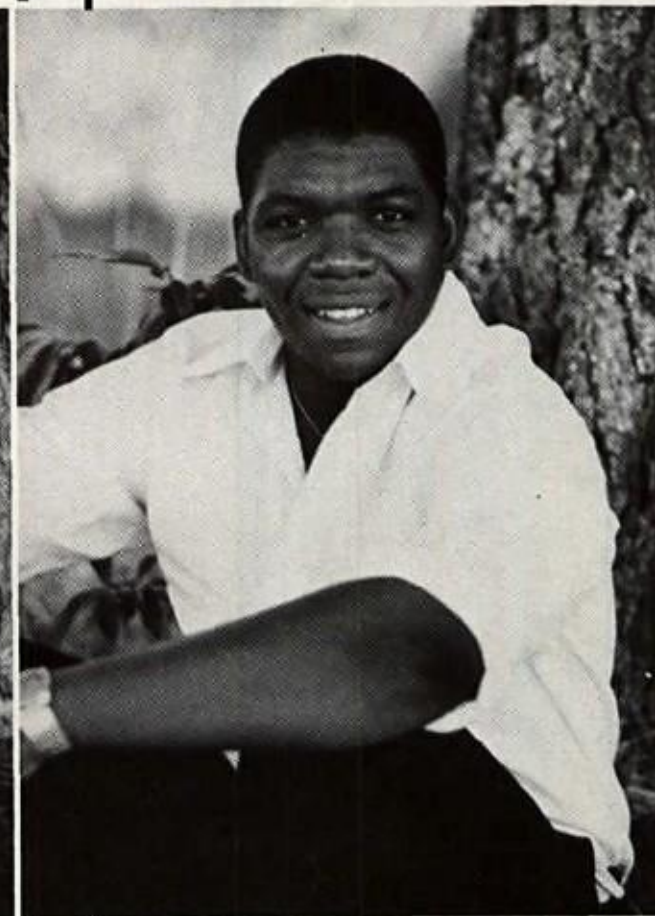

— Linda Brooks

. . . the end of my current way of life and the beginning of a new way.

We'd like to take this time and space to thank our senior class advisors for all they've done for us this year. As in the past, they have helped and guided us throughout the most important year of our school life and have seen that our year has gone smoothly.

The senior class advisors are, from top to bottom: Mrs. Barber, Mrs. Byrd, Miss Pritchard, Mrs. Wright.

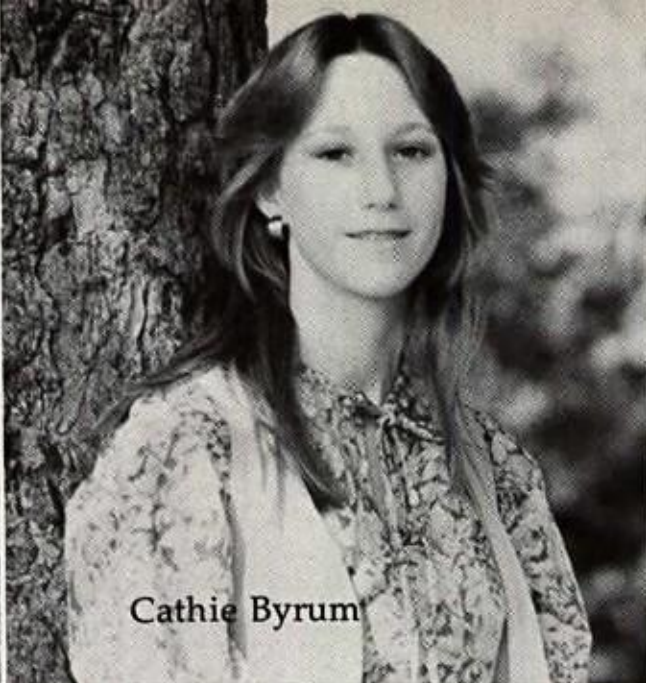

The Class of '79 presented the annual Junior/Senior Prom on May 13 of last school year. The theme of the prom was "Evening in Paris." (For more details of the big night itself, see pages 76-80.) Through the hard work of the class, the evening was a huge success. Of course, there was much behind-the-scenes preparation. During the week prior to prom night, the gymnasium was filled with the sounds of hammers on wood (and occasionally on fingers!), of scissors cutting through miles of streamers, and of the various other noises that accompanied the transformation of the gym to a Parisian street scene. However, no one minded the hard work after they saw the transformation completed. We'd like to thank those who worked diligently throughout the week. To avoid possible embarrassment, we will not list those who worked the hardest, or those who goofed off most of the time. Besides, they know who they are!

I am writing about something really nice,
 Staying in school and taking good advice.
 Studying really hard, obeying the rules
 Trying to get an education and not be a fool.
 Out in the world, there's nothing the same,
 So don't drop out, or you'll be the blame.
 Getting an education isn't hard to do.
 Your parents will always be proud of you.
 But no matter how hard the task may seem,
 I won't give up my plans or my dreams,
 No broken bridges can turn me around,
 Because what I'm searching for will soon will be found.
 Look at the lonely people who didn't make it,
 This lone life climb they just couldn't make it.
 But me!
 I'm almost . . . there.

Floyd Creecy

Senior Year Means . . .

. . . that I can look back on my progressing years, the good as well as the bad, and look forward to an exciting future.

— Carolyn Felton

. . . the start of a new beginning in life.

— Annette Johnson

. . . decisions to make about the very near future.

— Dorothy Burke

. . . the beginning of a new phase in life.

— Jill Twine

. . . a chance to be on my own.

— Aileen McDonald

. . . preparing for four more years of school.

— George W. Midgett

. . . the final step in one's adolescent years and the beginning of one's goals and responsibilities in life.

— Linda Overton

. . . leaving a lot of good memories and starting a new journey.

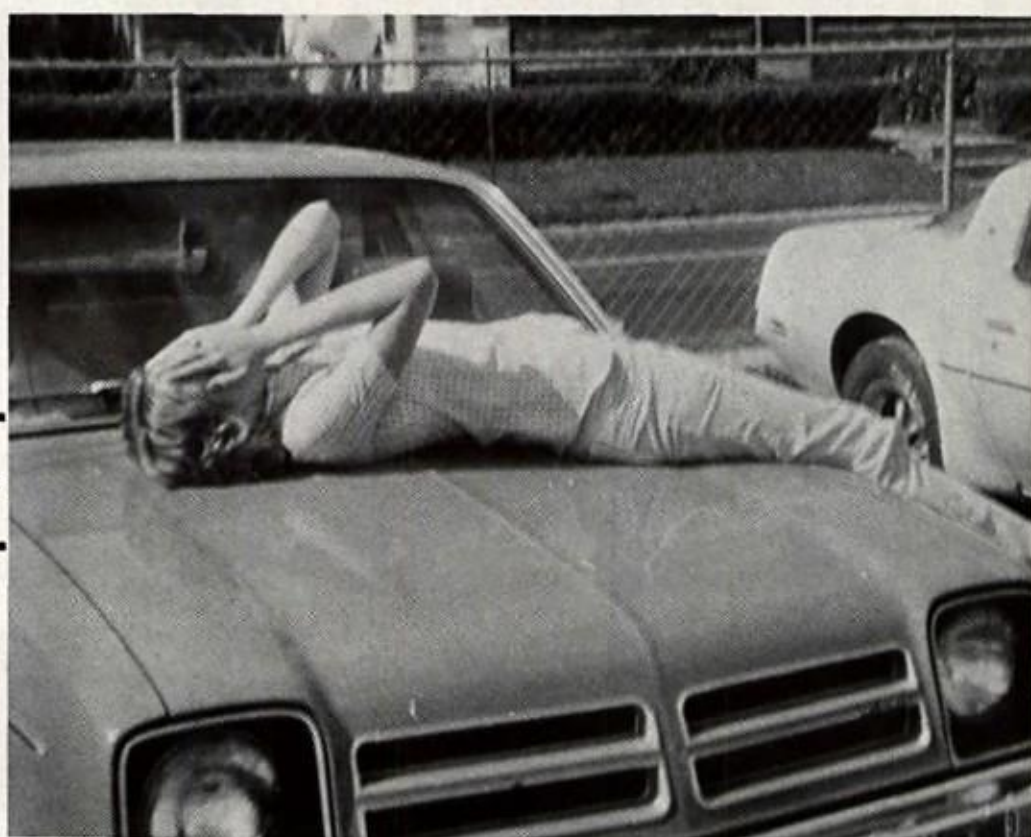

— Lloyd Evans

. . . a time to be prepared for my career and to get ready to go to NCSU.

— Travis Burke

. . . deciding on your plans for the future.

— Leola Jones

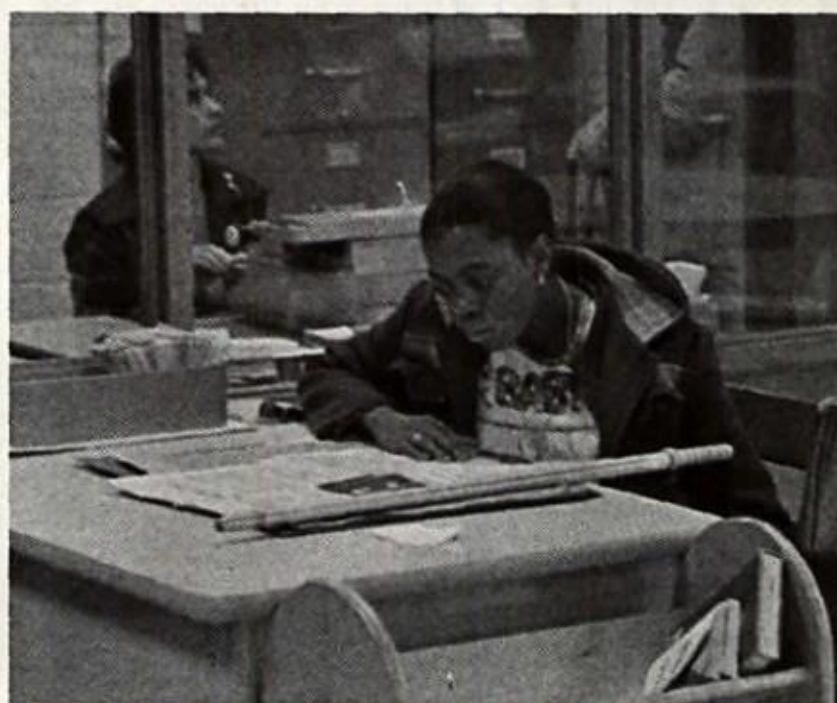

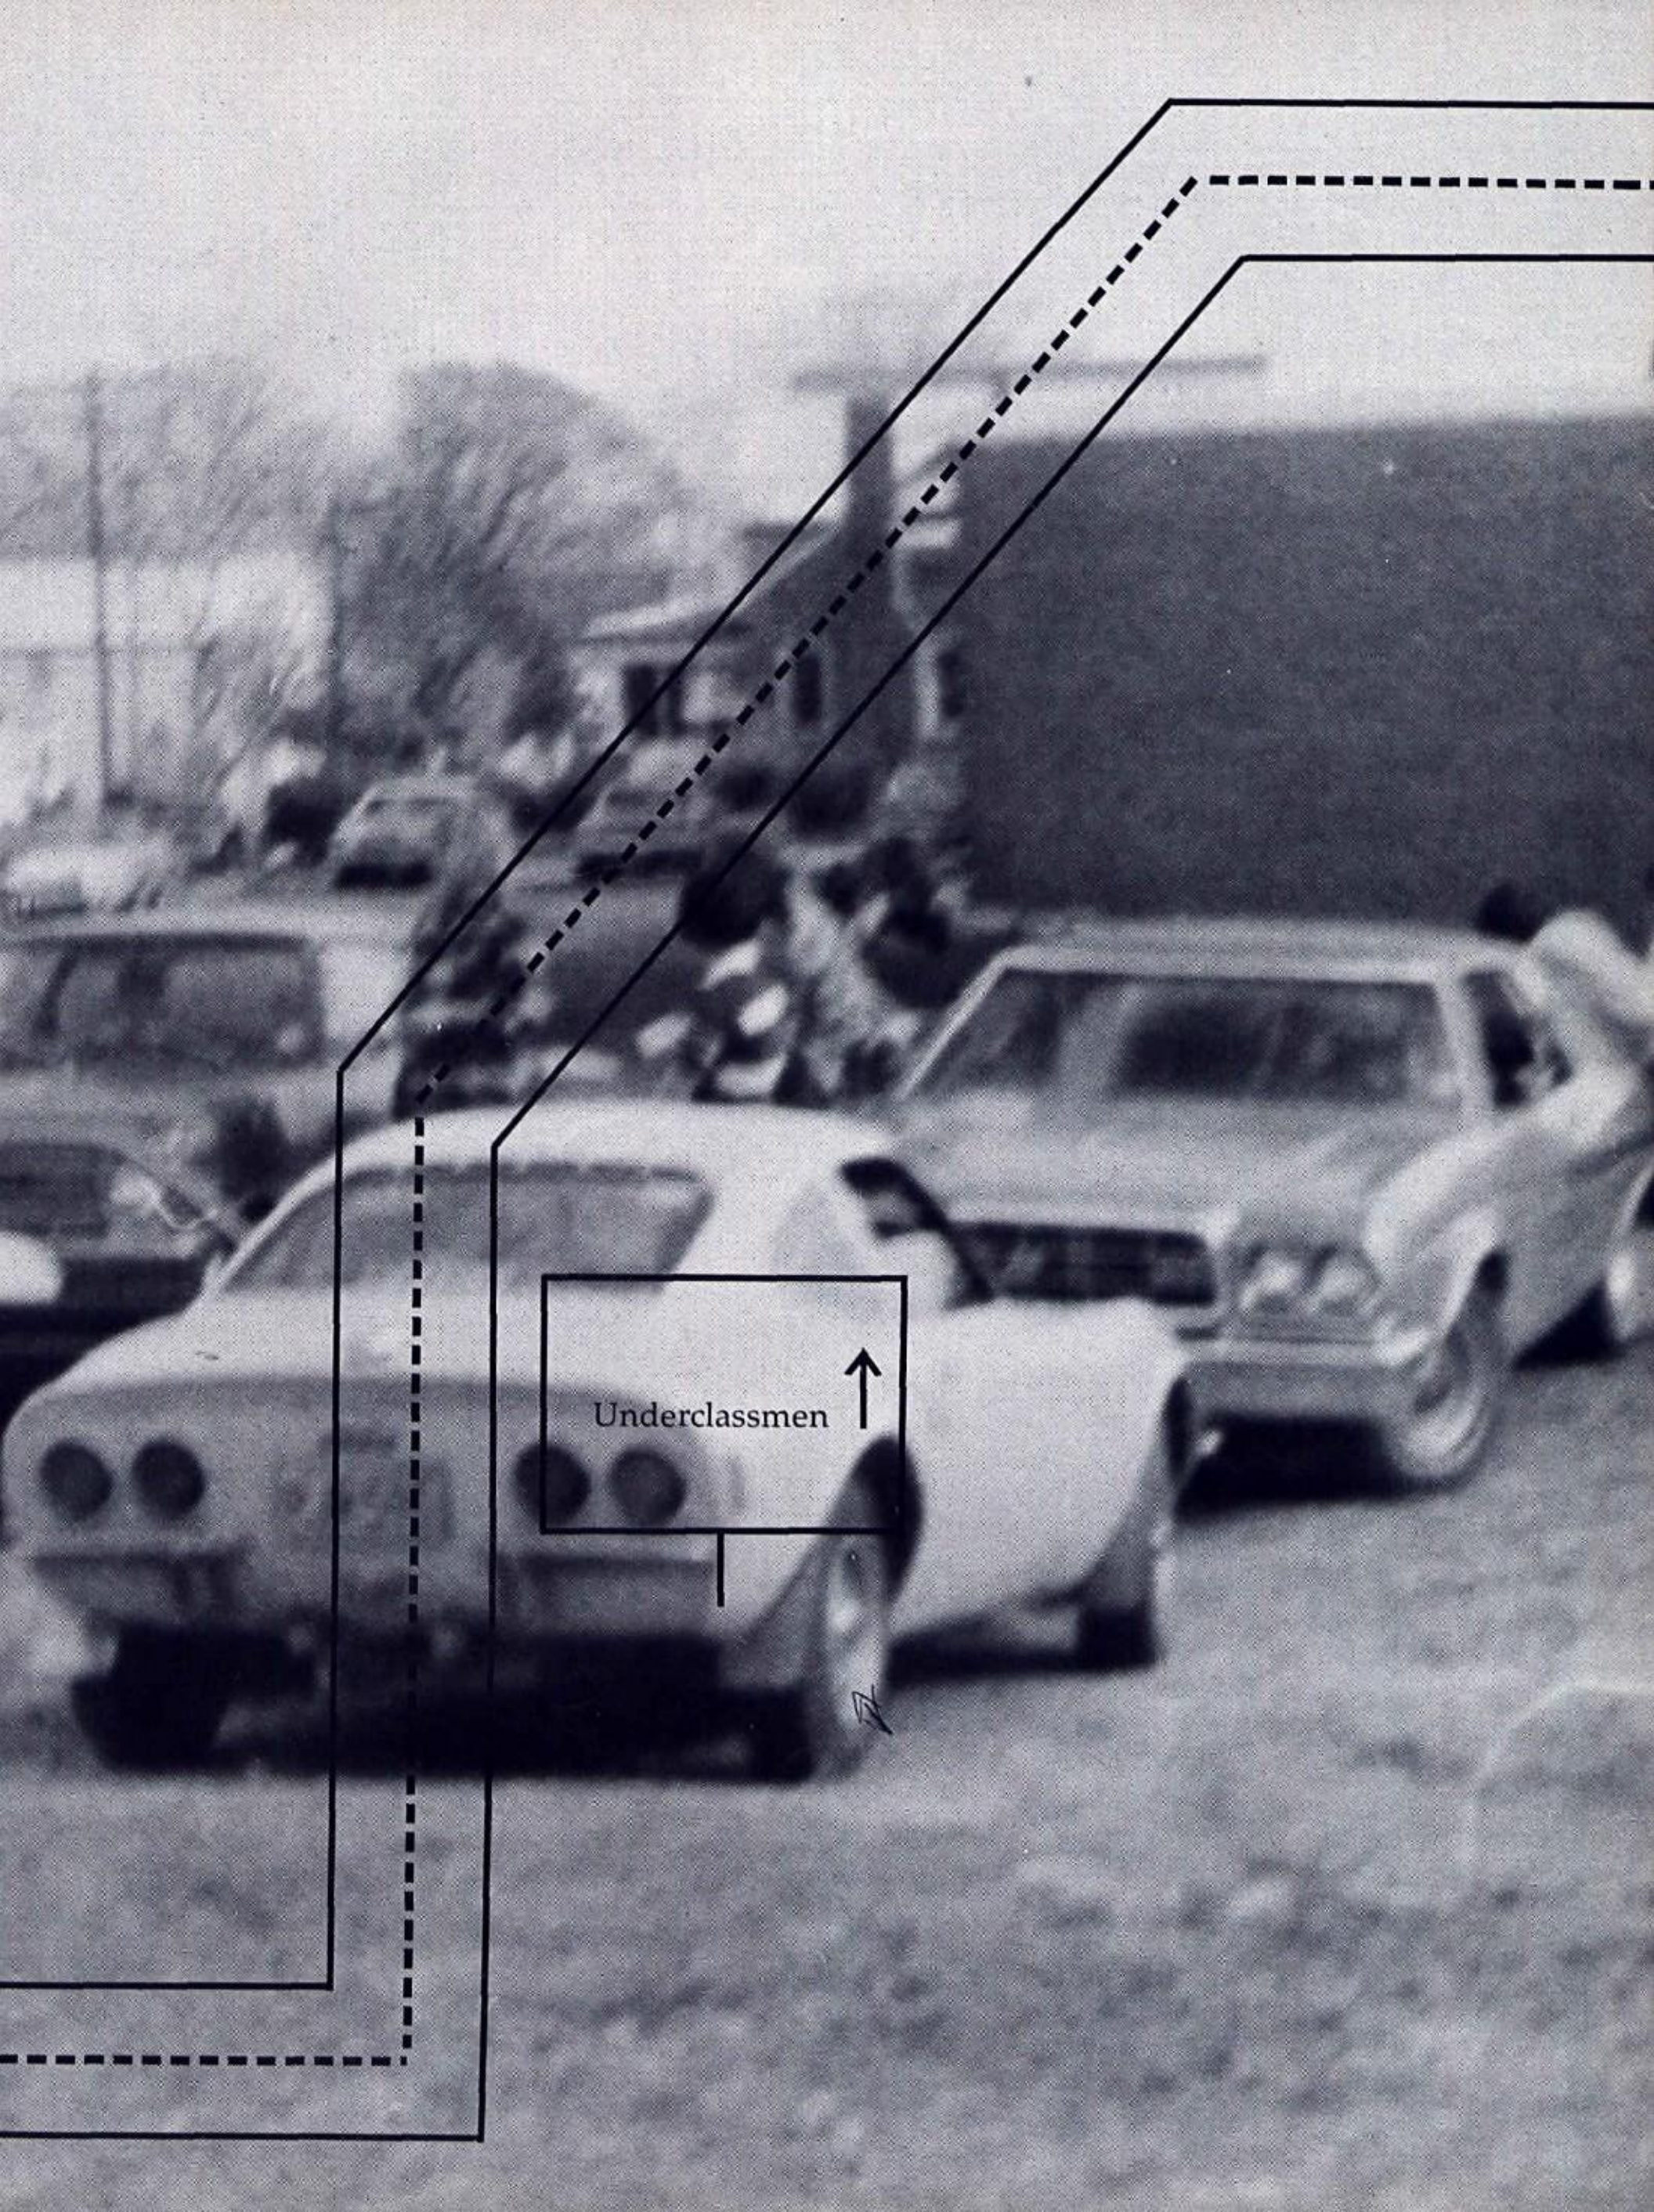

A path we began when we first started school
 A chair we sat in no bigger than a stool.
 A few rough curves here and jagged edges there
 But there are bumps and bruises found everywhere.
 Along the path, sand and rocks we added
 And all our trampling feet kept it fully padded.
 Then gradually this path became a road
 Bearing each and every person's load.
 Then gradually these loads were uplifted for each of us
 Causing less confusion, much less fuss.
 But somehow several things got in most of our ways
 Which slowed and disrupted most of our days.
 Encouragement and understanding we received from all
 Which kept us going after each fall.
 As we come to a stop there's a turn we'll all make
 Whether to college or to work, there's something at stake.
 But traveling this road we'll give up never
 Because this road we're traveling continues forever.

Evening In Paris

The juniors captured the glamour of Paris on the evening of May 13, 1978. The Parisian theme was carried out by the authentic Eiffel Tower, the beautiful candle lit tables and the azure pools near the French avenues. Northstate Band really kept things going by providing good entertainment for everyone. Prom '78 was a memorable occasion and everyone who went enjoyed it.

Everyone enjoyed the prom in their own special way. Some danced the night away while others socialized. A few seemed perfectly contented eating

lemon-meringue pies, peanuts, and punch; just a few of the delicacies served at Prom '78. The prom will long be remembered.

Not only were the members of the junior and senior classes invited to the prom, but the faculty members as well. Everyone looked very attractive, and it was nice to

see our teachers dressed up. We're sure it was a shock for them to see their students dressed in something besides jeans.

At the beginning of the prom, everyone socialized among friends. Minutes later, when the band started up, all got into doing their own thing. Before long

even the faculty members were out on the floor dancing.

WAITRESSES

The waitresses helped make the prom a success, too. They are as follows from left to right: Sherry Mims, Flora Hinton, Dee Hurdle, Karen Butt, Gina Lightfoot, Lisa Bunch, Shelia Leigh, Sherry Hollowell.

WAITERS

The waiters helped with the prom also. From left to right, standing: Gary Hunter, Jeffrey Chappell, Ellis Everett, Ricky Owens, Jack Dail; Kneeling: George Jackson, Jeffrey Vaughn, Jeffrey Thompson.

Homecoming

The homecoming week festivities were marked by the crowning of Brooks Thomas and Annette Johnson as homecoming co-queens and Dean Dizon and Travis Burke as homecoming co-kings; the first kings ever to be

chosen at PCHS. The homecoming princesses were Victoria Banks and Brenda Pierce. Because of the exciting week, all was not a loss when the Murfreesboro Raiders won over the Perquimans Pirates by a score of 7 to 6.

Hippie Day, Spirit Day, and everyone's favorite, Lick 'em Day.

"YOU CAN'T TAKE IT WITH YOU"

The spring play was directed by Mrs. Chris Barber. The leading roles were played by Lori Newberry as Alice and Dean Dizon as Tony. Supporting actors and actresses were: Paul Applegate, John Griswold, Dennis Godwin, Mike Hagan, Cathy Newberry, Cindy Smith, Brooks

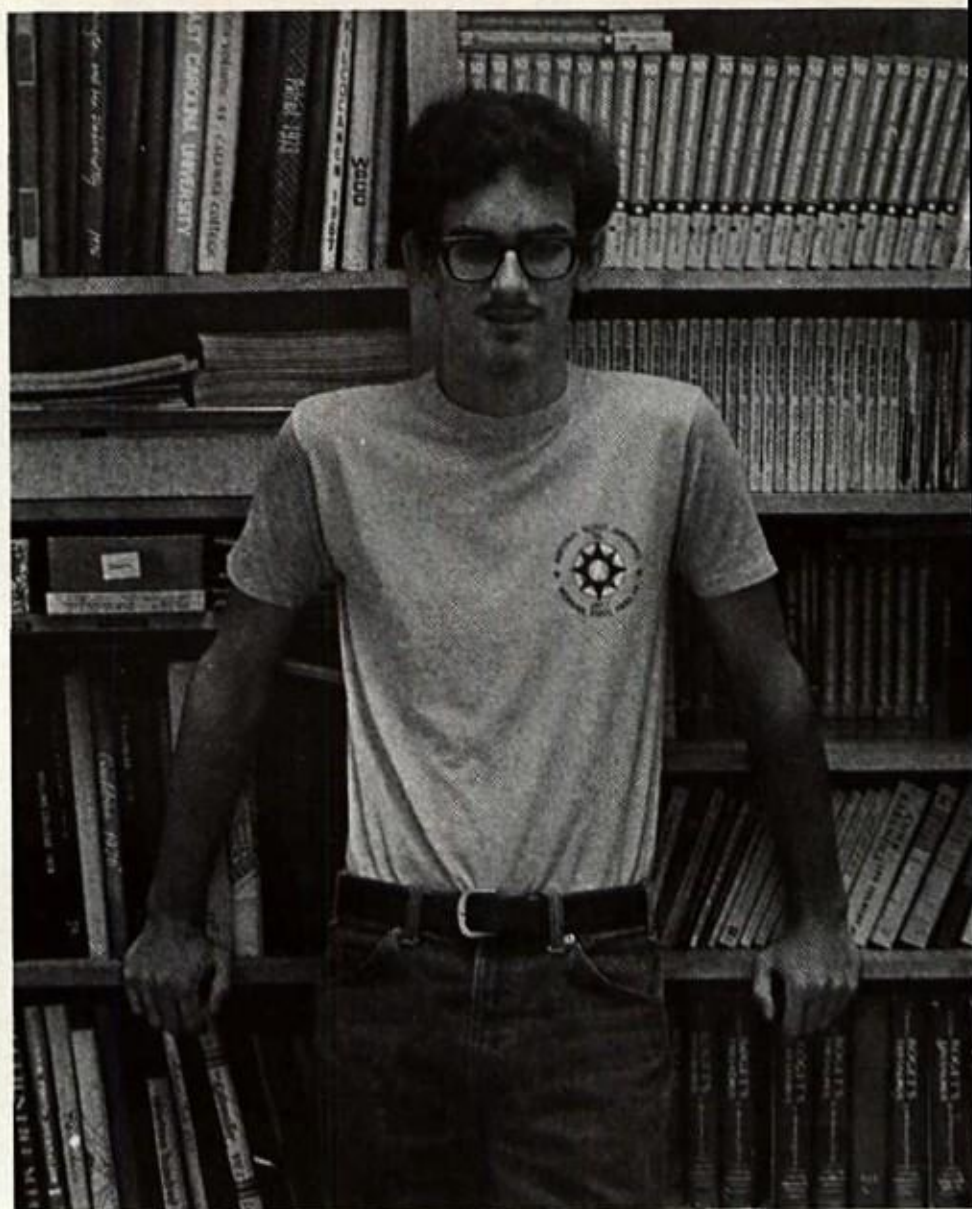

Thomas, Jimmy Turner, Jeff Winslow, and Lyn Winslow.

The set was designed by John Lavezzo, who obviously put lots of hard work into it.

Those associated with the production of the play are commended for their successful efforts on a job well done.

GOVERNOR'S SCHOOL — EAST

Michael Bullard represented PCHS during the summer of 1978 at Governor's School — East. He attended a six-week program at St. Andrews Presbyterian College in Laurinburg, N.C. Michael's field of study was natural science. This was the first Governor's School — East and plans are being made to expand from 200 to 400 students in 1979. While he was there, Michael enjoyed sports, music, and drama.

NORTH CAROLINA SCHOOL OF THE ARTS

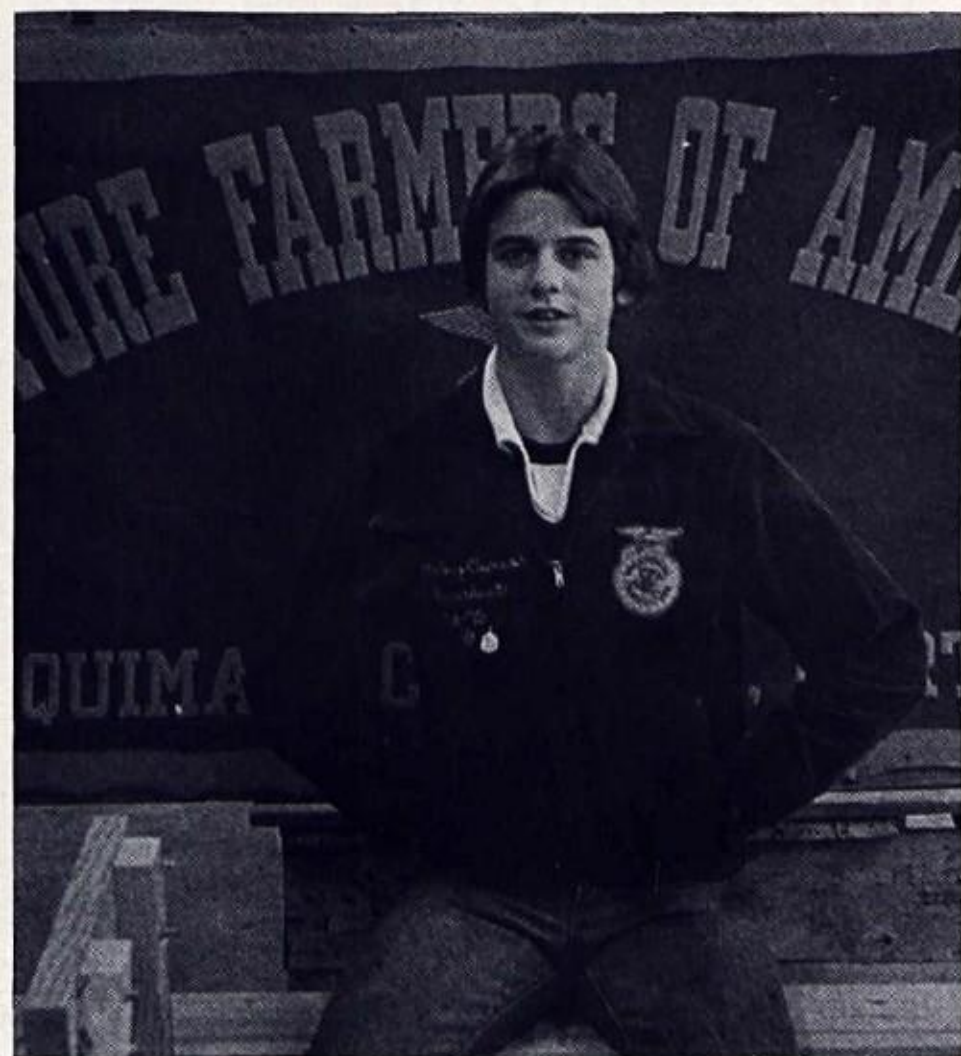

Annette Johnson represented PCHS during the summer of 1978 at NCSA in Winston-Salem. She attended a five week art program and studied design and figure drawing. After graduation from PCHS, she plans to enter the field of commercial art.

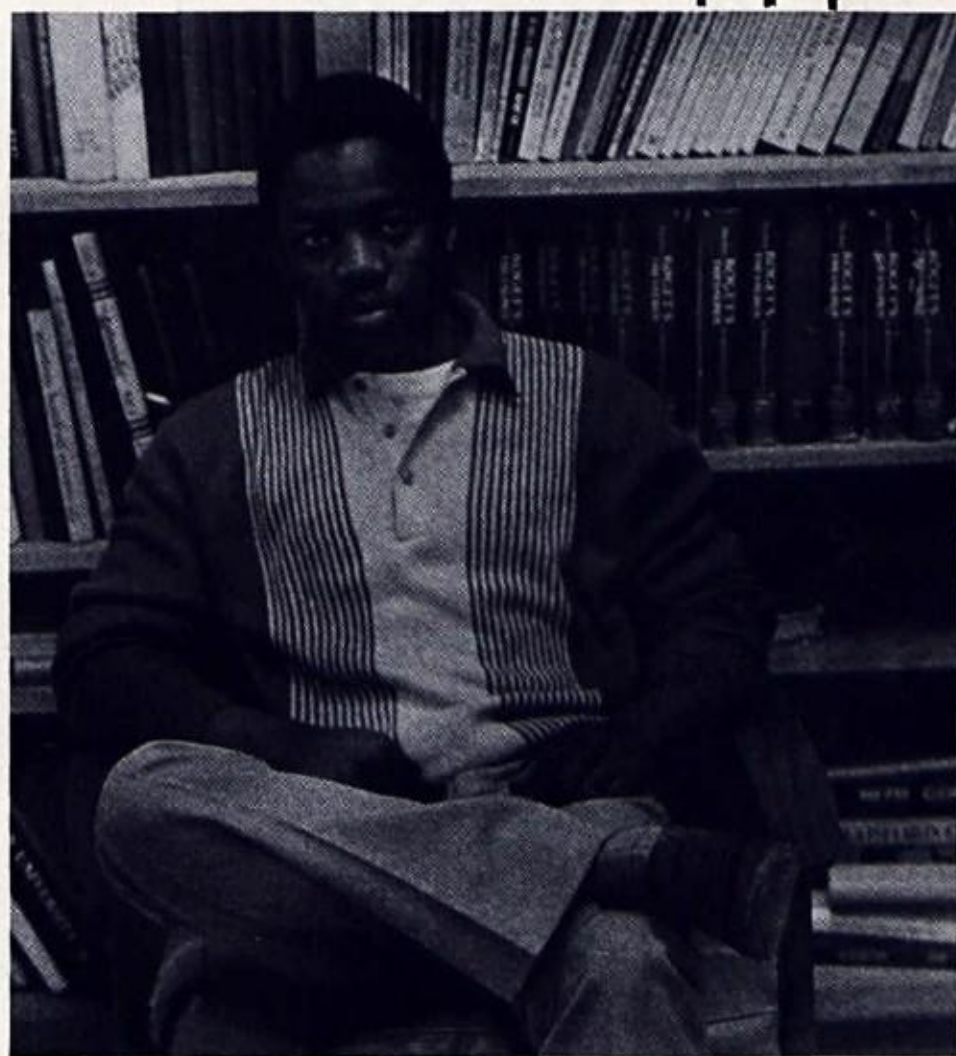

GIRLS'STATE

During the summer of 1978, Jackie Arnold represented PCHS at Girls' State which is held at the University of North Carolina at Greensboro. The week was spent studying North Carolina government. In the mock election, Jackie had the honor of being elected to the Senate. She was sponsored by the American Legion.

CONFERENCE MEET

PCHS ... 84	 Currituck	61½
	 Camden	37½
	 Murfreesboro	18

PCHS wishes to commend the track team for the fine work they did during the 1978 season. We would like to mention the top five scorers of the season: Charlie Sutton — 80 points; Chris Peckham — 78½ points; Bobby Tolson — 73½ points; Larry Honeyblue — 71 points; and Mike Holley — 69 points. We congratulate Bobby Tolson for being undefeated throughout the season and also for setting a new school record for the mile run. His time for the new record was 4: 39.6. Bobby also qualified to participate in the regional playoffs for the Junior Olympics. Congratulations to the other school record setters: Larry Honeyblue in the 440 yard dash; Nate Carson, Mike Holley, Charlie Sutton, and Larry Honeyblue in the mile relay; and Chris Peckham in the pole vault. We congratulate Mr. Webster for taking the team on to be the conference champions for 1978. The team won with a score of 84 points, 22½ points above the second place team from Currituck.

SOFTBALL

The 1978 girls' softball team, under the direction of a new coach, Mrs. Carolyn Rogers, had a pretty unbalanced year on the scoreboard. The team won only five out of fourteen games, however, they still showed great potential.

Six seniors spearheaded the team and even though their talent will be missed, the remaining freshmen should take up the slack.

Congratulations to Lynn Hurdle and Sarah Nixon who were named to the All-Conference team. Bonnie Underwood received Honorable Mention. The team voted Lynn Hurdle as most valuable player, and Mary Wood Hurdle as the most improved. Sarah Nixon had the highest batting average.

The members of the 1978 team were: first row; Lynn Hurdle, JoAnne Meads, Sarah Nixon, Corinne Underwood, Donna Dail, Mary Wood Hurdle; second row; Denise Pierce, Pearlie White, Karen Butt, Bonnie Underwood, Dee Hurdle, Gaye Lilley; third row; Catherine Jones, Janice Burton, Cindy Sawyer, Sherry Hollowell, Flora Hinton, Mae Bryant.

Sarah Nixon makes a play from third base as short stop Lynn Hurdle and short fielder Bonnie Underwood look on.

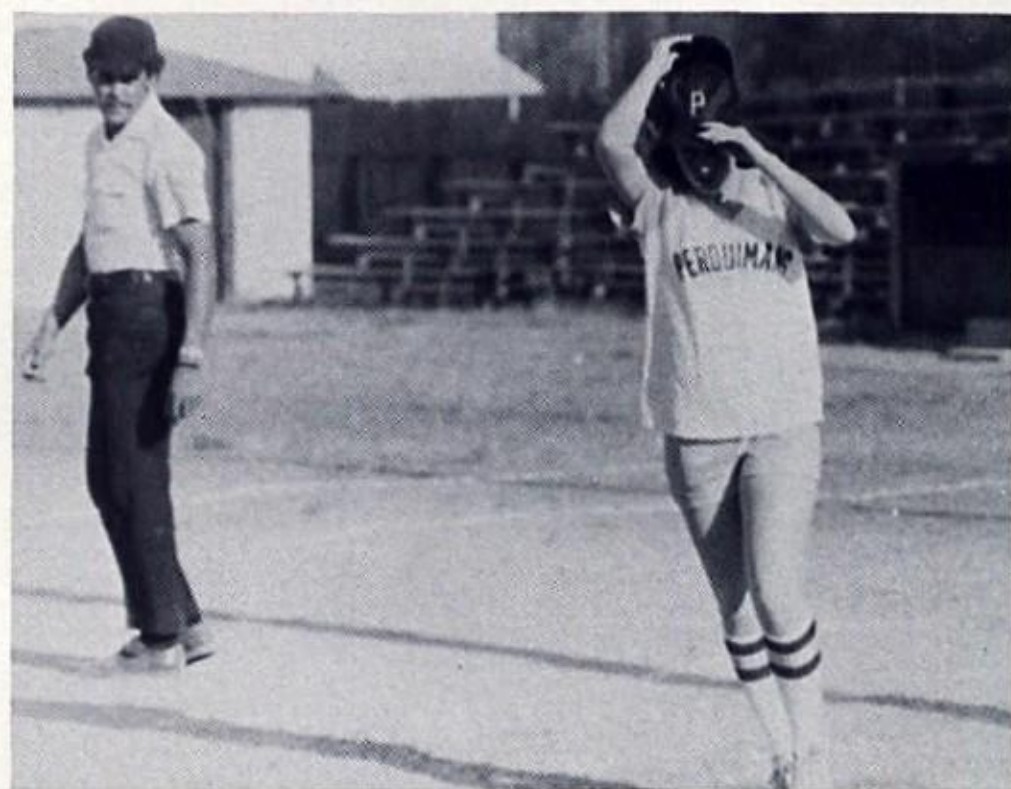

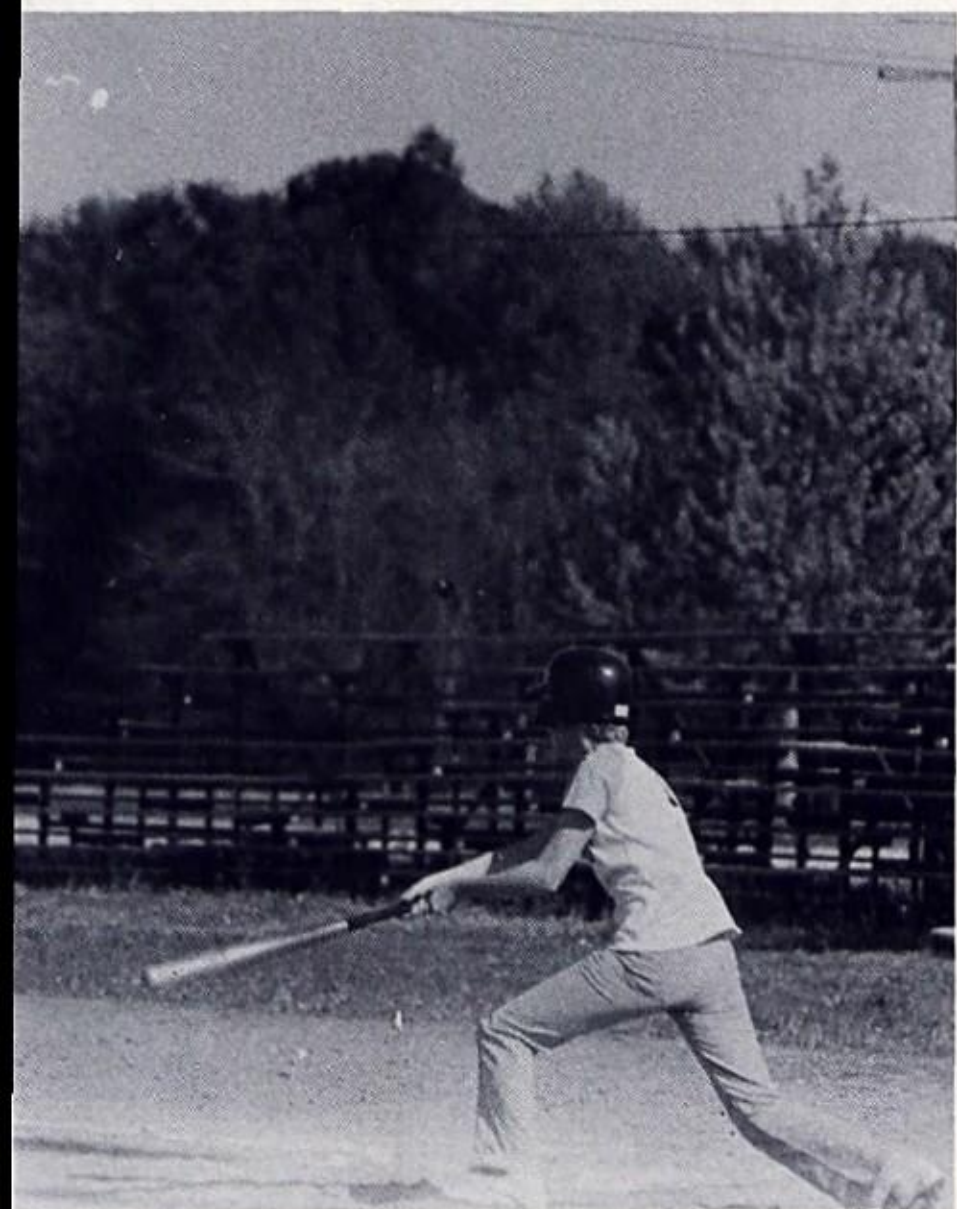

Donna Dail makes it safely to third base.

CONFERENCE

the last two supplying most of the pitching power. Voted to be All-Conference were Gary Hunter, Marvin Hunter, Jerry White, Howard Williams, Mark Winslow, and Phil Woodell. Receiving Honorable Mention were Russell Lassiter and Tosh Towe.

We extend our congratulations to the 1978 varsity football team for being in the drawings for the 2A conference playoffs. They played hard all season and were defeated only twice during the conference games. The football teams of the past two years have given PCHS a new name in the conference. At the end of the regular season, PCHS was tied with Currituck, Gates, and Murfreesboro for first place. To determine the order in which they finished, the coaches drew numbers. PCHS did not draw number one so they did not make it to the playoffs. The team did receive a trophy as recognition for tying for first.

Keep up the good work, Coach Webster and maybe the '79 season will turn out better.

JUNIOR VARSITY FOOTBALL

The following were the members of the 1978 JV football team: (front row) Randy Parks, Eric Tilley, Howard Eaves, Linward Moore; (second row) Randy Winslow, Eric Cohoon, Thomas Lightfoot, Eddie Pierce; (top row) Coach Don Incoe; (not pictured) Scott Williams, James Watkins, Ronnie Hite.

Eric Cohoon and Eddie Pierce were the JV captains.

In August, the annual summer football practice began for the Junior Varsity Football players. For many, organized football was a new experience. There was also a new coach, Don Inscoe, and of course, it took time for coach and team to get used to each other.

The season began with high hopes which were quickly extinguished as the Edenton Aces devastated the Pirates with an aerial attack. The game finally ended with a score of 0 to 28.

The next game did not end favorably for the Pirates either. The JV's were completely outmatched by a veteran West Carteret team. Final score: Pirates 0, West Carteret 56.

The conference season got underway against the Camden Bruins. In what turned out to be a hard-fought game, Camden eventually overcame the Pirates with a score of 6 to 20.

The next game, against Murfreesboro, proved to be a turn around for the JV's. In their second conference game, the Pirates demonstrated they could succeed with an eight to six victory over the Raiders.

The JV's fifth game was a rematch of the first conference game. After this hard-fought contest, Perquimans once again came out on the short end — 6 to 8.

The last game of the season was played on Murfreesboro's home field. The JV team had been trimmed to eleven players. Although the eleven gave it all they had, Murfreesboro over-powered the trimmed-down Pirates by a score of 0 to 28.

The varsity basketball team had a challenging season this year. Along with a tough schedule, the team was often plagued by foul trouble. They started the season with three non-conference losses and just could not seem to keep it together. Even when faced with a loss, the team still played hard.

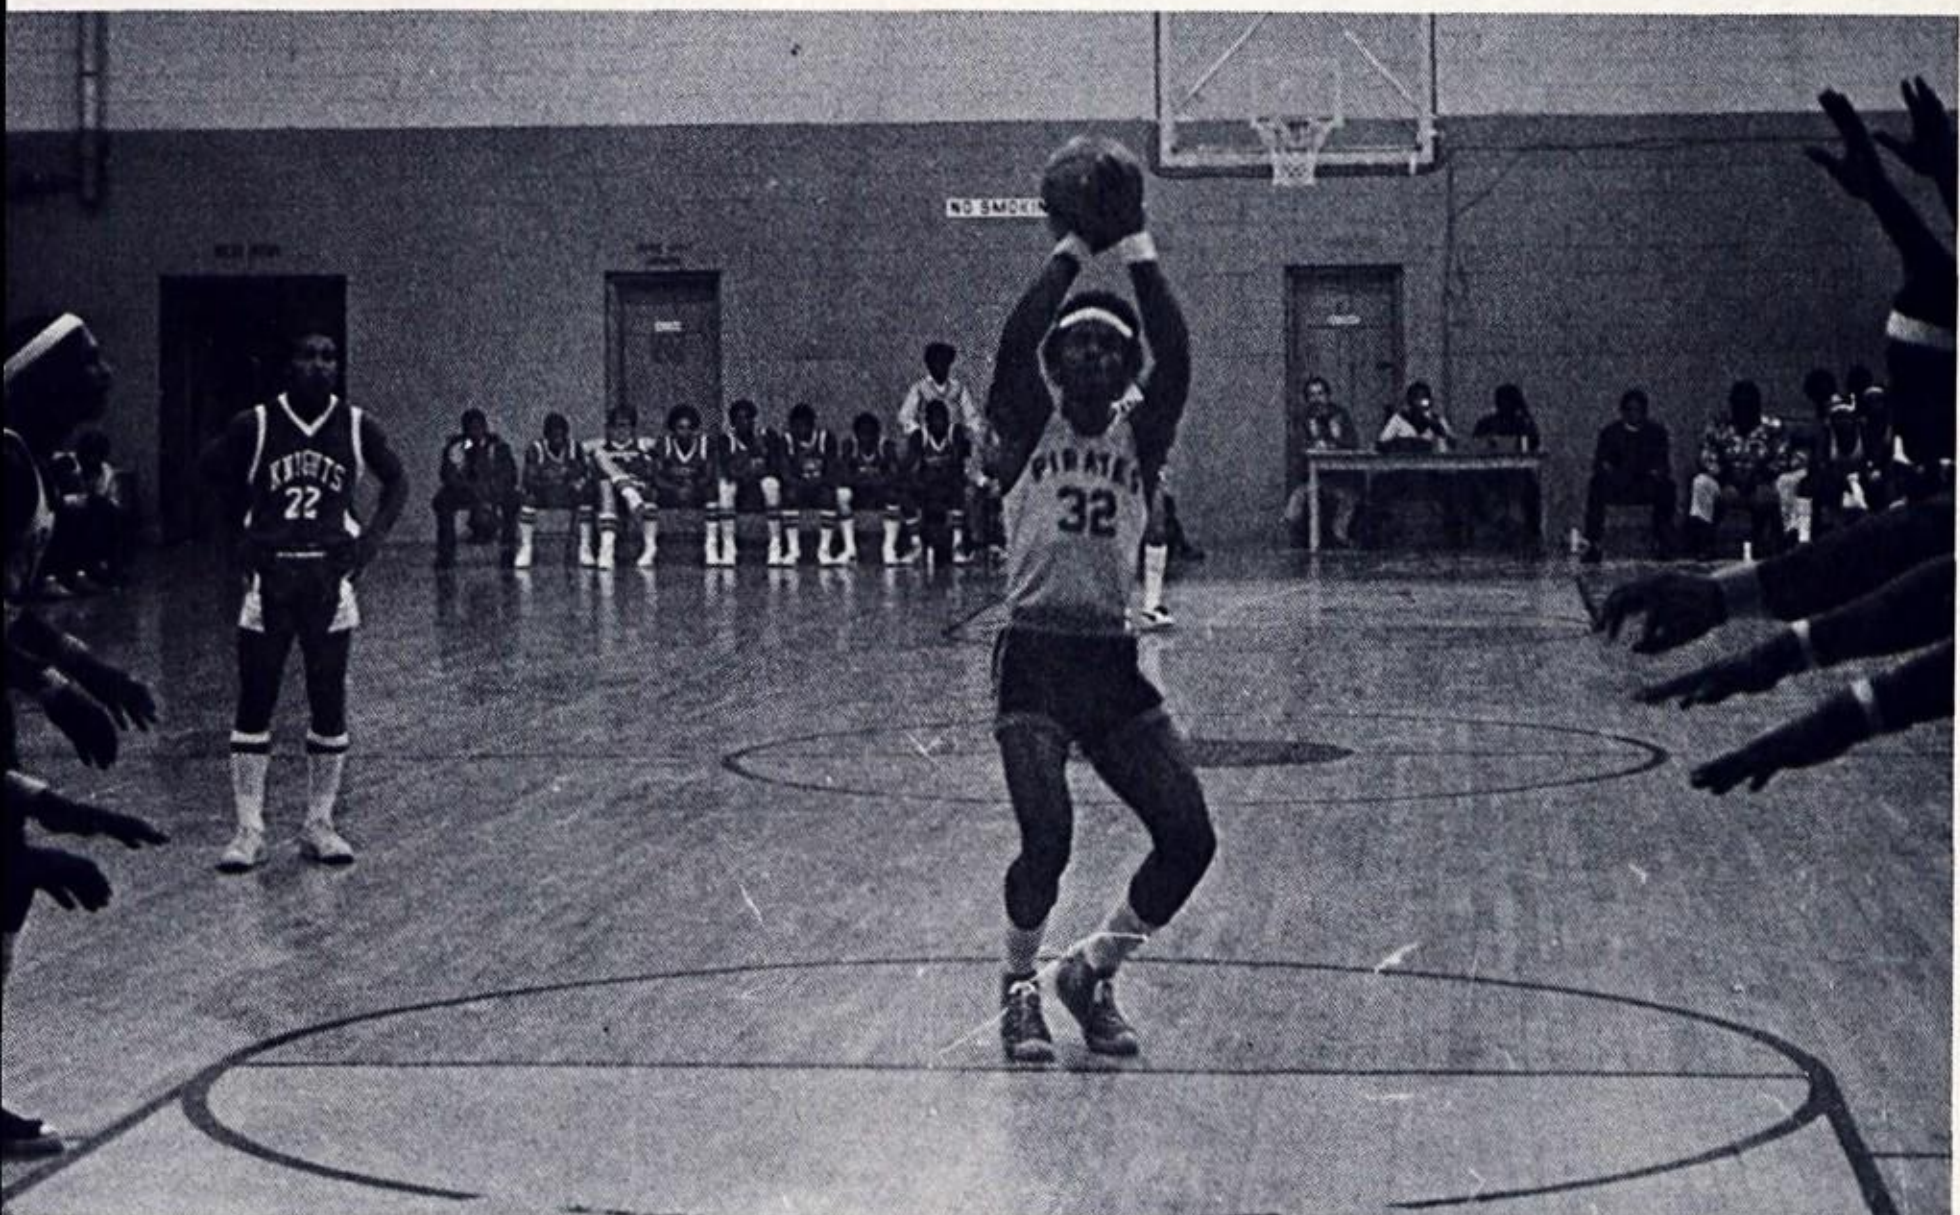

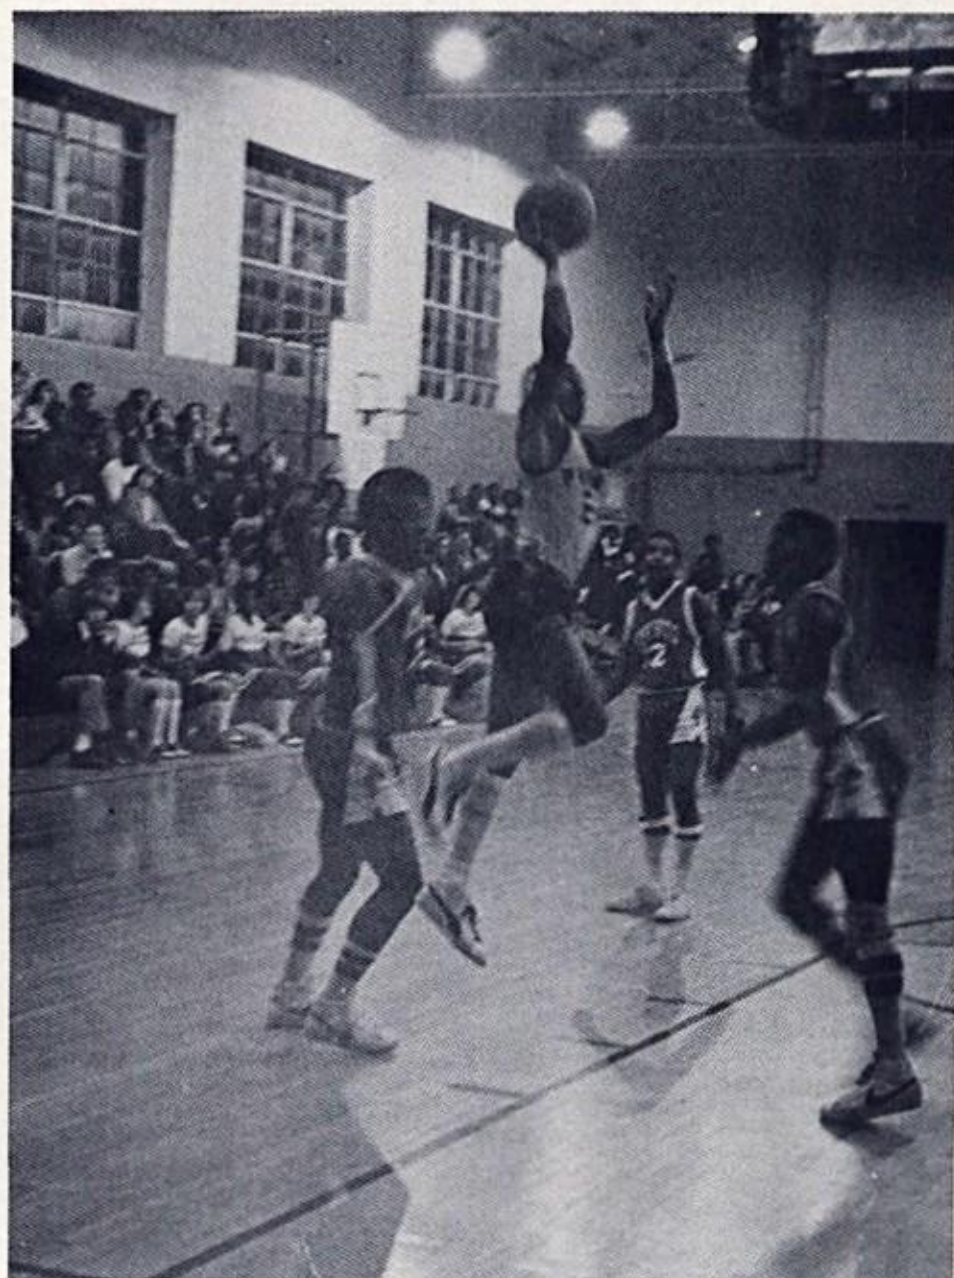

The team was victorious in the Christmas tournament but after that victories were few and far between. Despite these losses the team showed some spectacular talent ranging from slam dunks to fast breaks of razzle dazzle.

The team finished with a 7-10 non-conference record and a 6-6 conference record.

Players in the team picture above are: Bobby Tolson, Paris Whedbee, Ellis Everett, Wayne White, Michael Holley, Levon Skinner, Coach Calvin Webster, Edward White, Fred Rountree, Victor Askew, Milton Modlin, Kenneth Ferebee, and Garry Bryant.

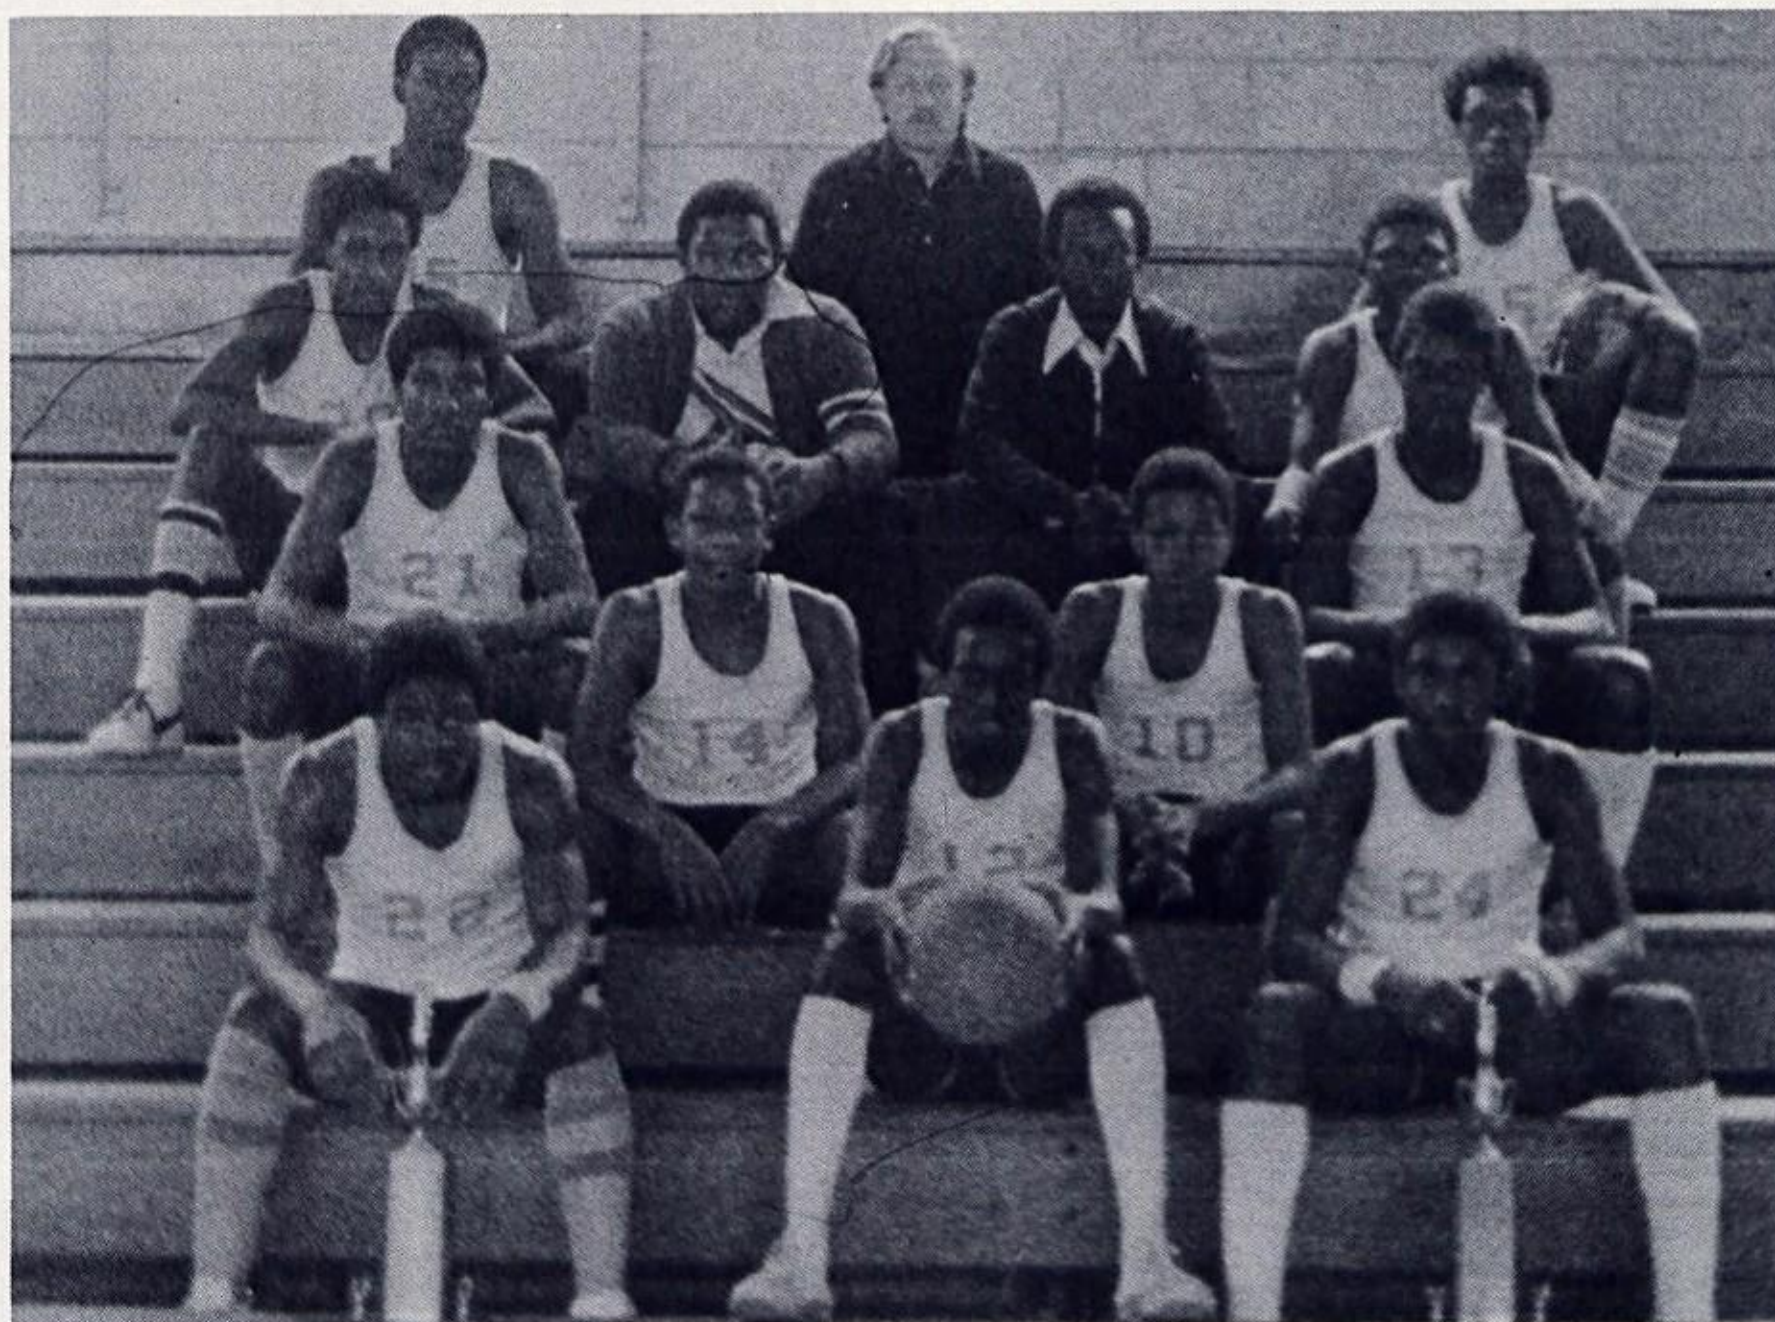

JUNIOR VARSITY BASKETBALL

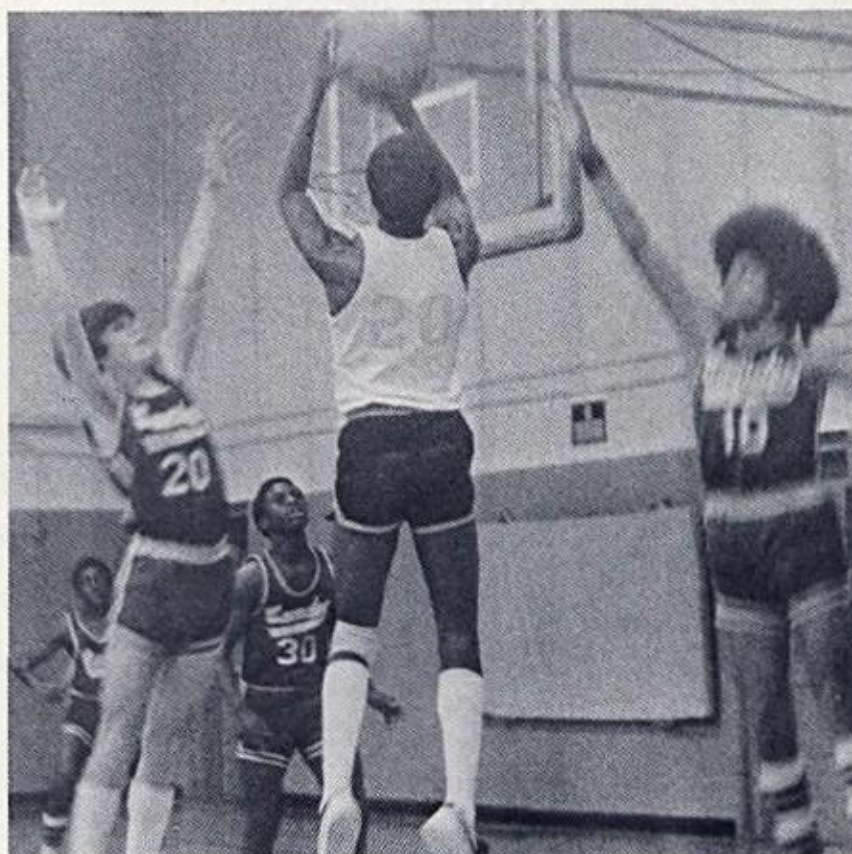

Junior varsity team members include: George Jackson, Johnnie Frierson, Tony Hickson, Donnie Parker, Robert Mallory, George Barnett, Alvin White, Nathan Carson, George Bryant, trainer,

PCHS is proud to have an undefeated junior varsity basketball team. The lowest score made by the team was 62 and the highest was 99. The highest any team scored against our team was 74 in a regular conference game with Gumberry. Gumberry also scored 78 against the JV's in a playoff game. It's been a few years since we have had an undefeated team.

The junior varsity team was conference champs and were also undefeated in the playoffs. Coach Pete Hunter did an excellent job with the team this past season by using the varied talents of his young players.

The smallest margin of points in a game was two points in a close game with Elizabeth City Junior High. The greatest margin was 65 points against Camden.

GIRLS' BASKETBALL

The girls' basketball team is made up of the following girls: Valerie Walker, Cathy Wells, Lorraine Tolson, Pearlie White, Sharon Carson, Mary Rumble, Bethsheba Ormond, Valerie Skinner, Brenda Pierce, Mary O'Neal, Helaine Jones, Victoria Banks, Vera Brown, Cynthia Wills, Kim Rountree, and Flora Hinton, trainer.

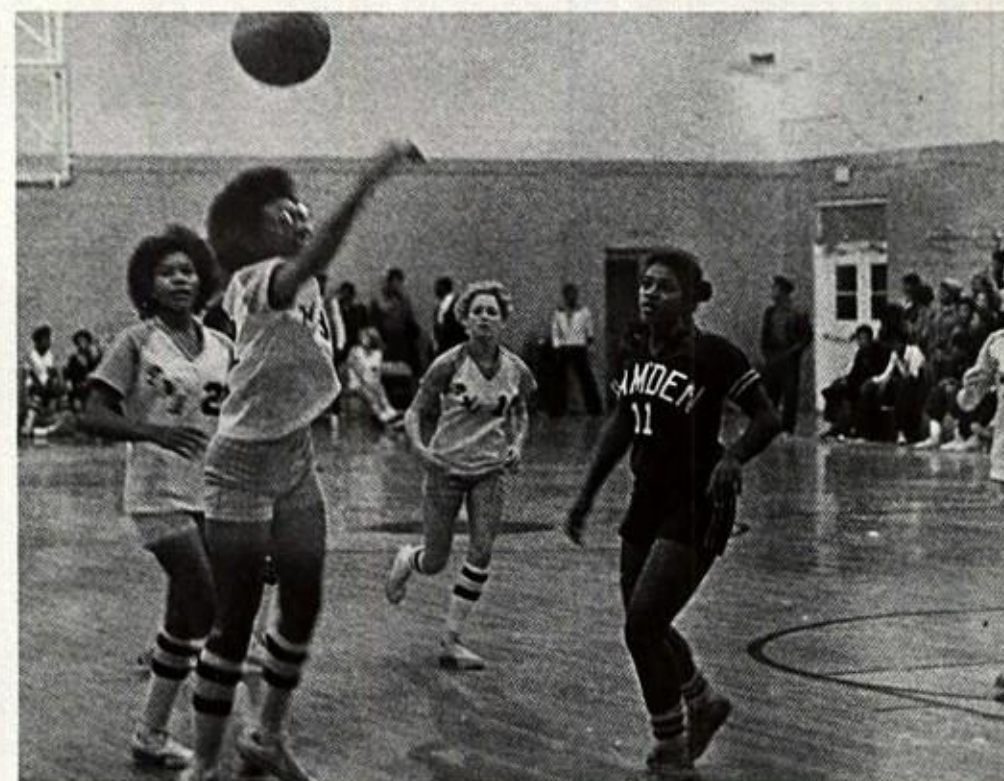

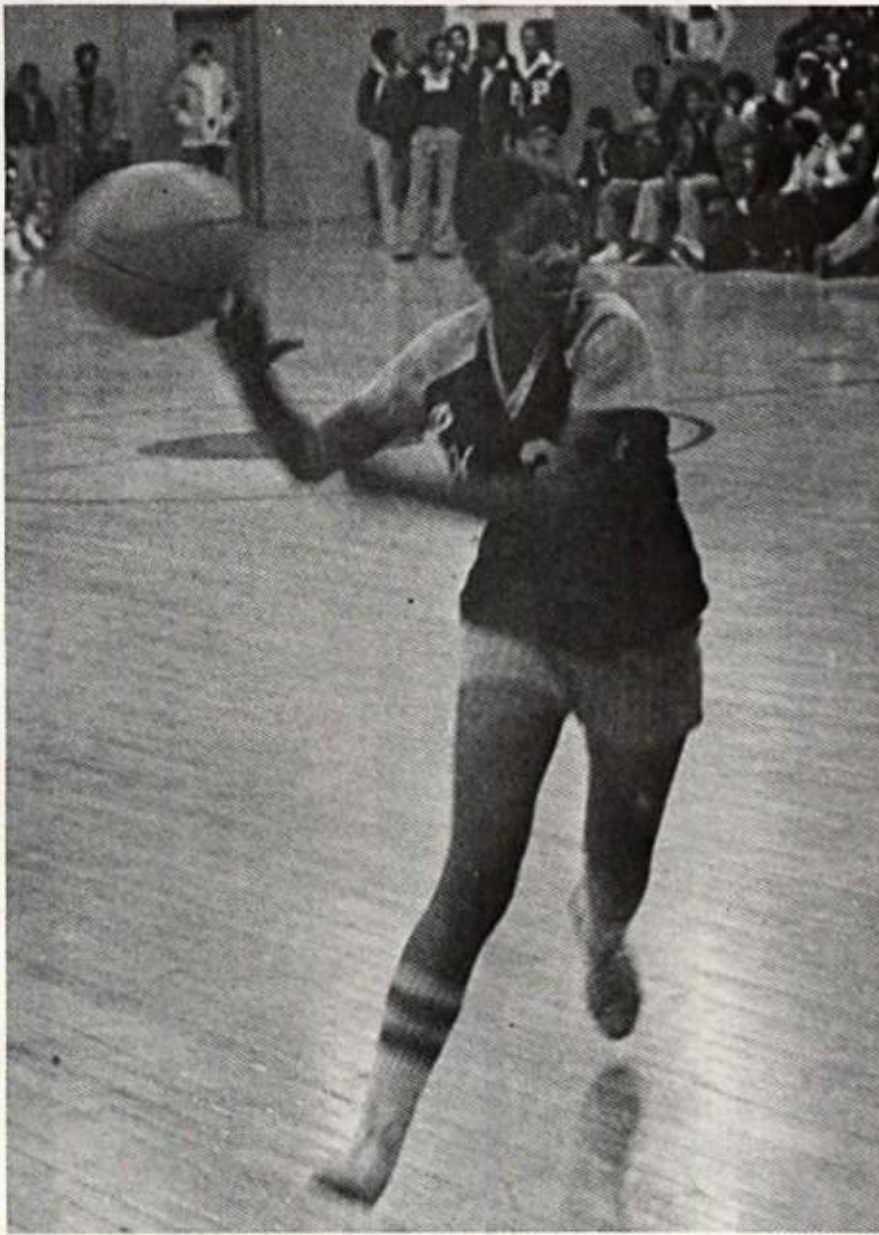

The 1978-79 girls' basketball team had a very unlucky season. The team record was 0-15. Coach Carolyn Rogers commented: "We're still a relatively young team. This year we lacked any real height. Fouling and not making our foul shots were our two main problem areas. There was a great lack of team work which hurt the team as a whole, but there's still a lot of talent and I expect it to be shown next year."

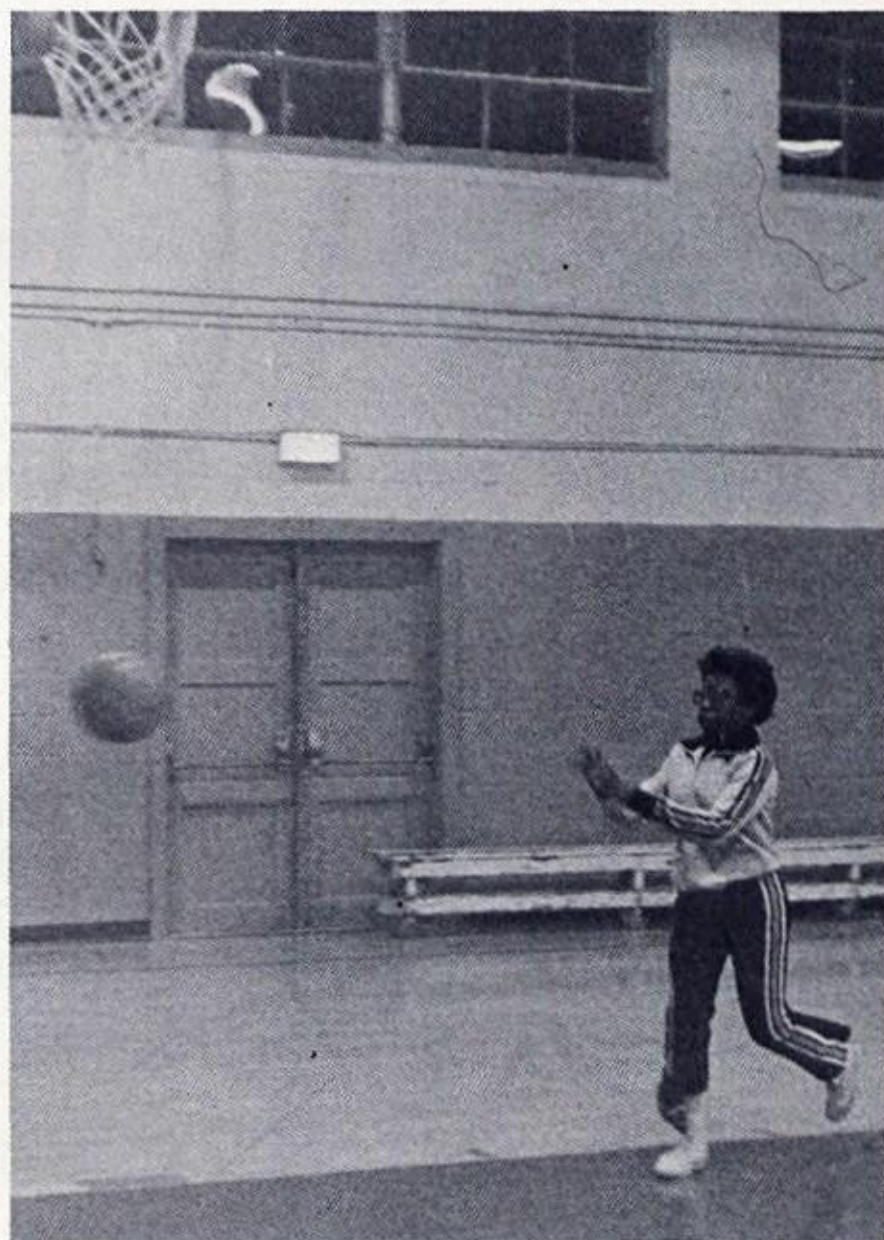

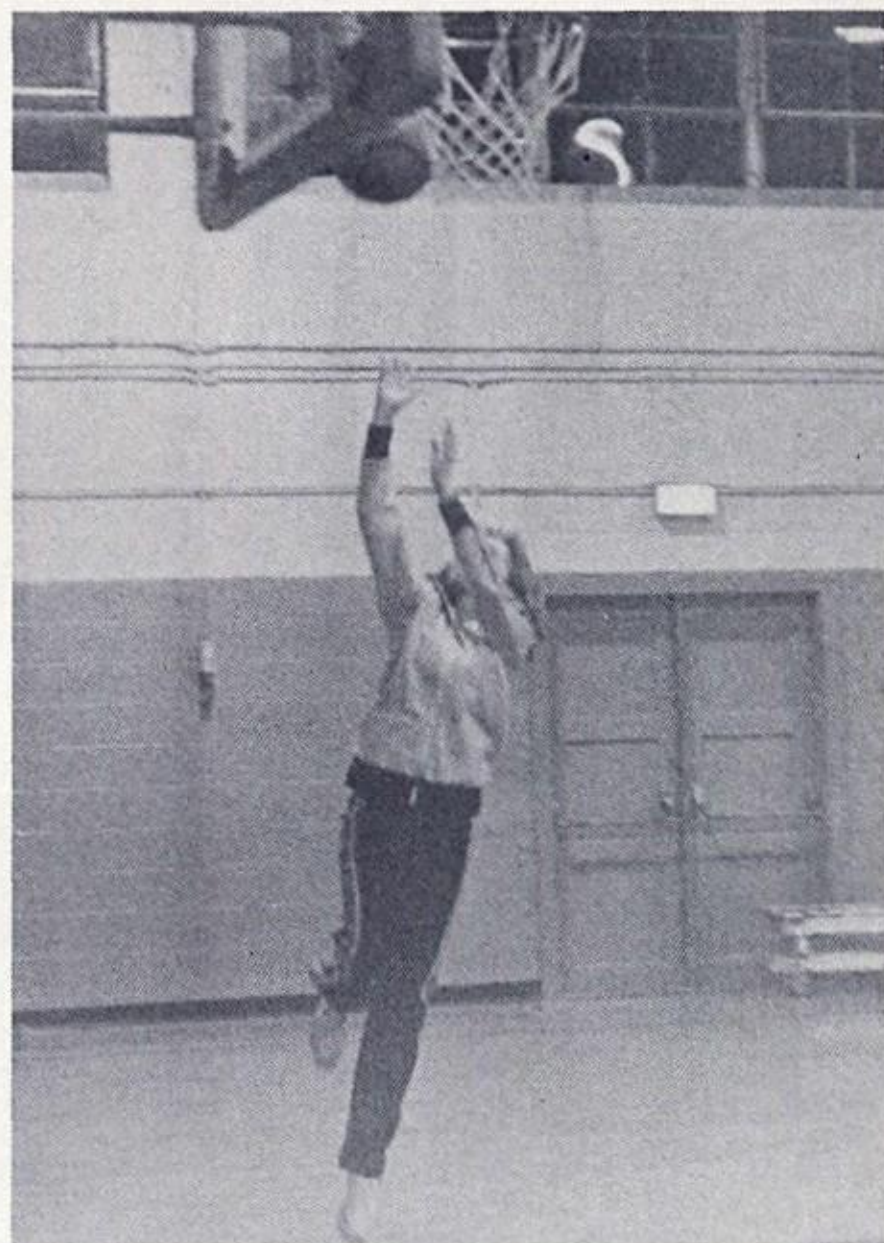

TEAM CAPTAINS

The team captains were Cynthia Wills and Kim Rountree. Although the team had a losing year, Cynthia kept the points on the board by being the leading scorer.

Varsity Cheerleaders

The varsity cheerleaders have really done a great job of keeping the PCHS spectators on their toes. They have a new instructor, Mrs. Brenda L. Dail, who is also a new teacher this year. The girls adopted her sister, Linda Layden, as a mascot. The cheerleaders worked hard to get new uniforms and have projected an image that can make PCHS proud.

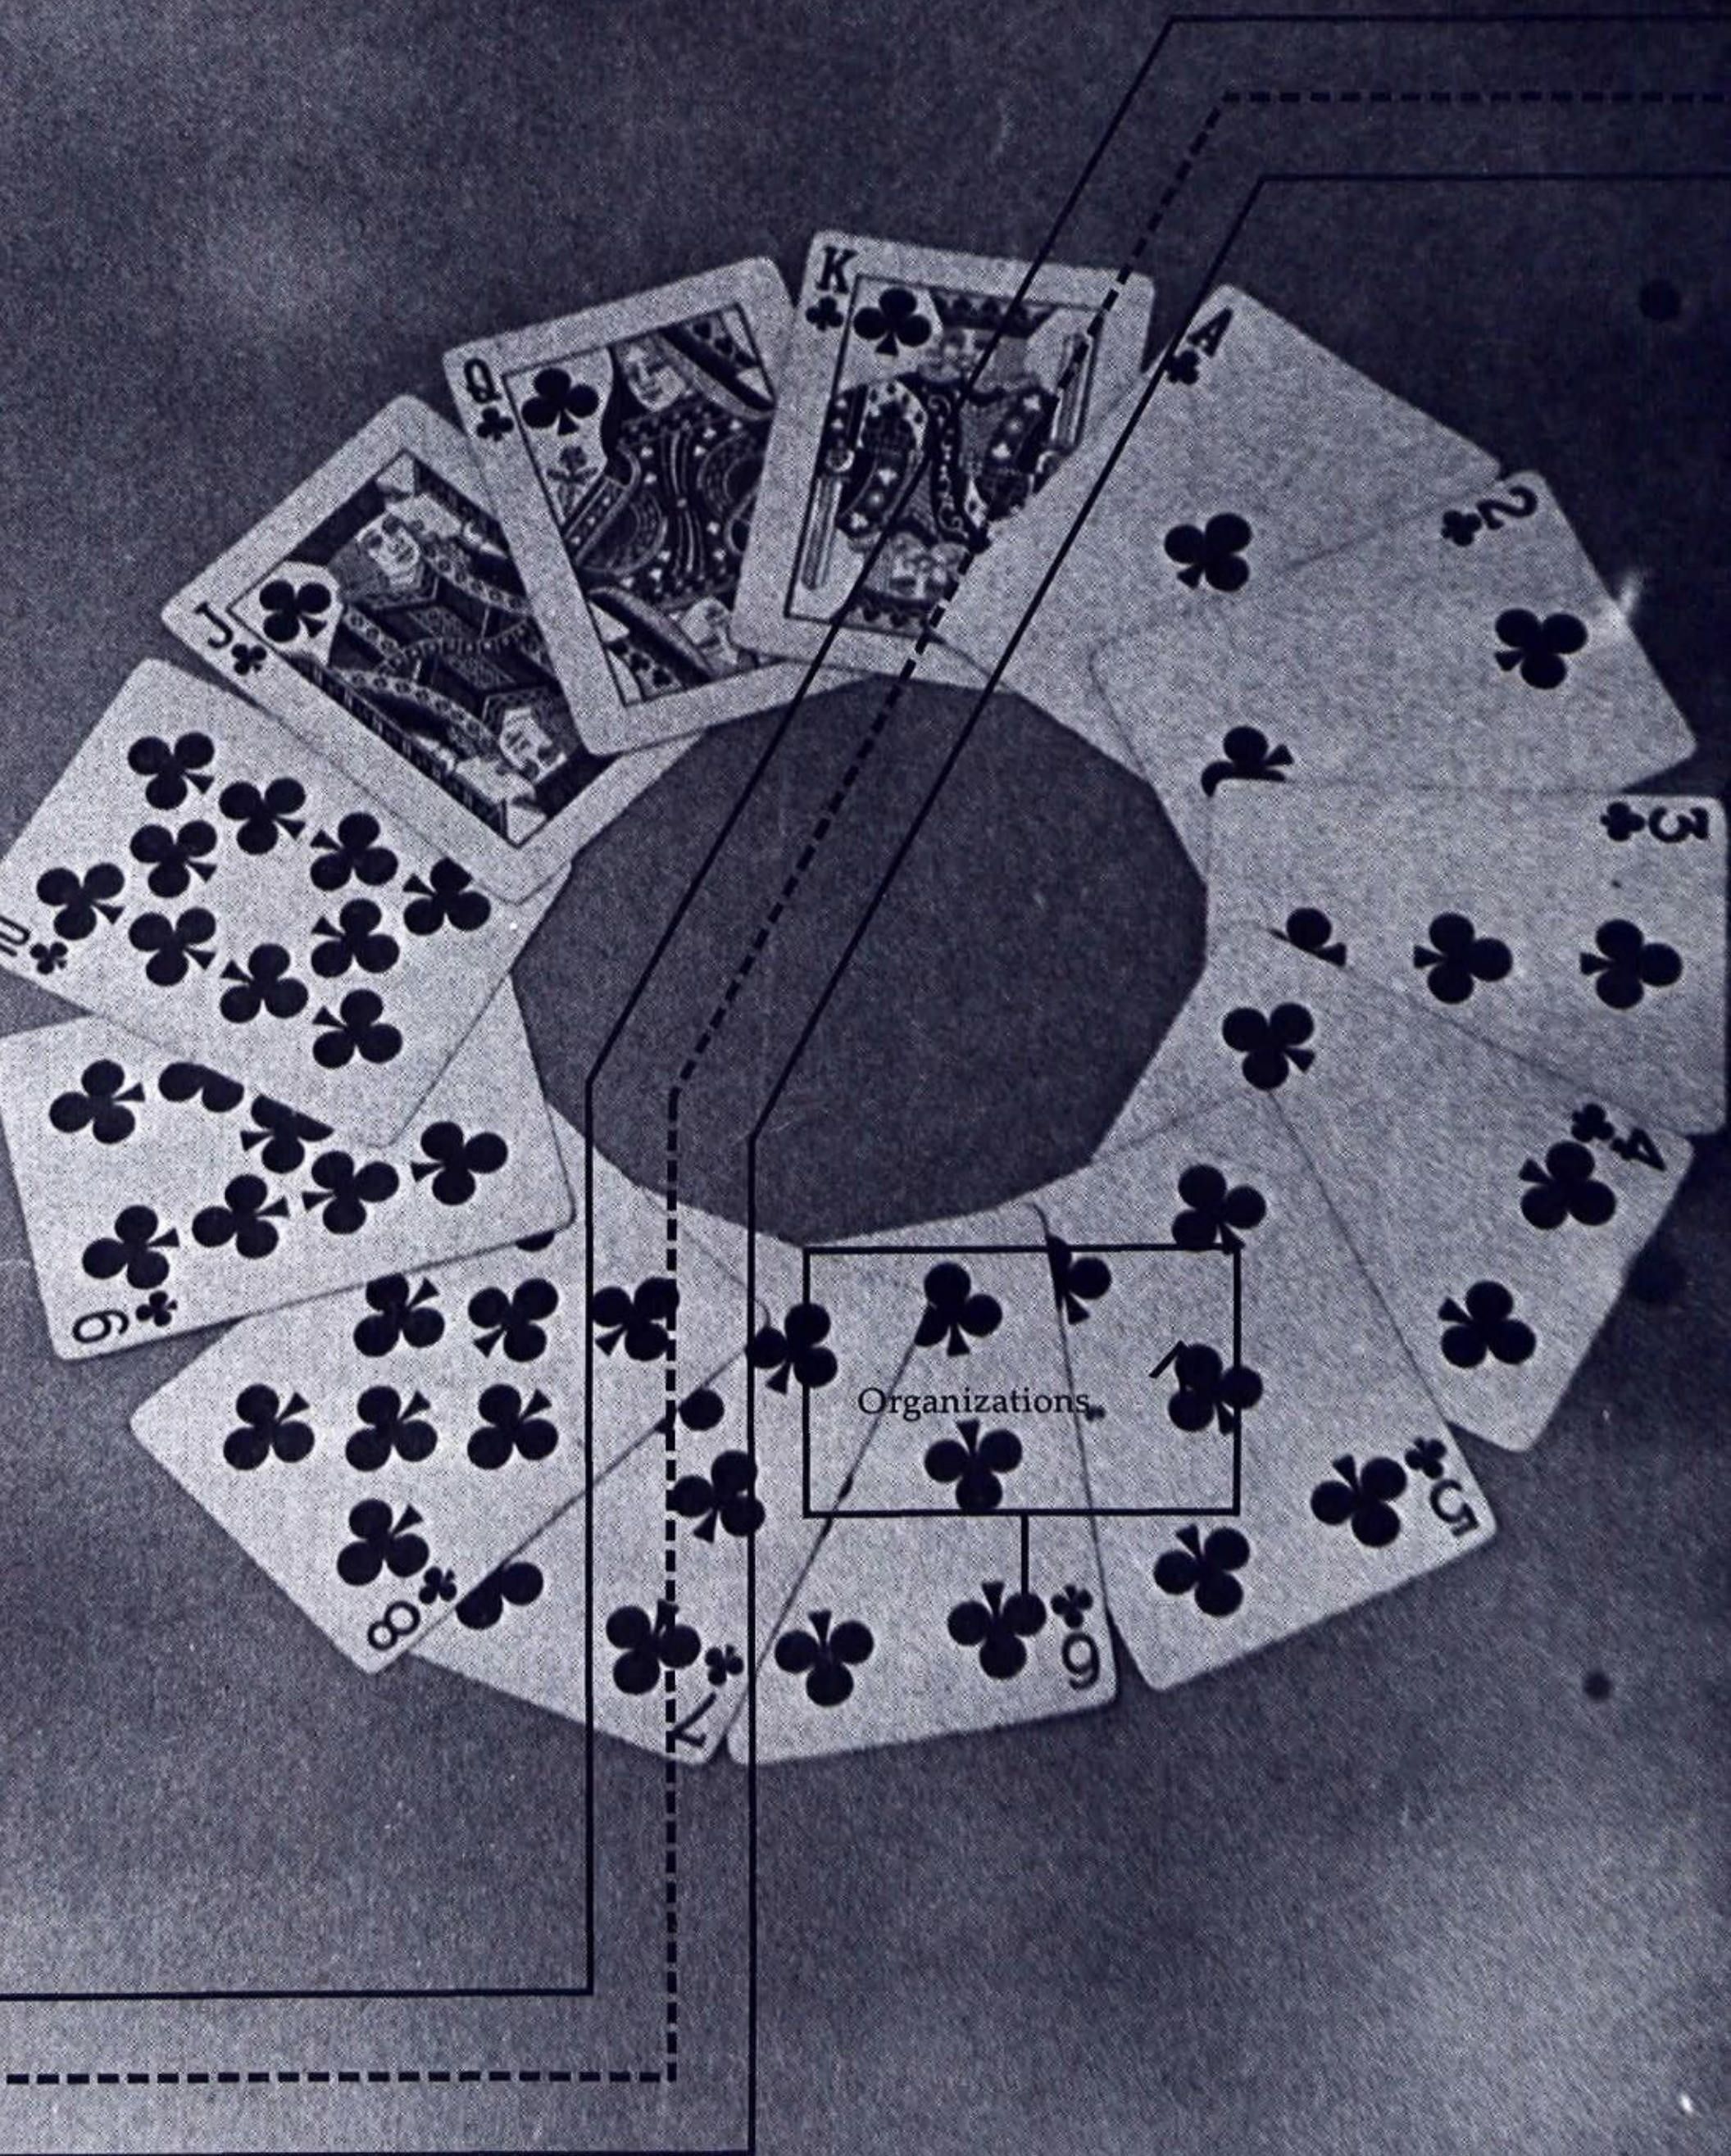

The varsity cheerleaders for 1978-79 are: Sheila Leigh, Sandy Muldrow, Brooks Thomas, Pam Moore, Tammy Askew, Cheryl Parker, Sherry Hollowell, Sheila Ford, Edwina Parker, Tammy Ashworth, Gwyn Trueblood.

JUNIOR VARSITY CHEERLEADERS

The following are the 1978-79 junior varsity cheerleaders: Mary Warren, Arlene Spruill, Sally Holley, and Tammy Smith. Faye Wills is the head cheerleader. They have supported the JV teams well this year and have helped to boost their energy. Their advisor is Mrs. Evelyn Stubbins.

Organizations

BAND

The band is a welcome addition to the curriculum at PCHS. It was a pleasure to hear the sound of instrumental music echoing in the hall. The band presented two concerts, a Christmas and a spring, for both the public and students at PCHS and Union School. The band also performed at the last home

basketball game. In the future, they plan to play at football games and march in local parades. We feel they have progressed tremendously in only one year and wish them much success in the future. Mr. Ziembra is the director of the band.

Band members practice for forthcoming concert.

Mr. Ziembra instructs band members.

BETA CLUB

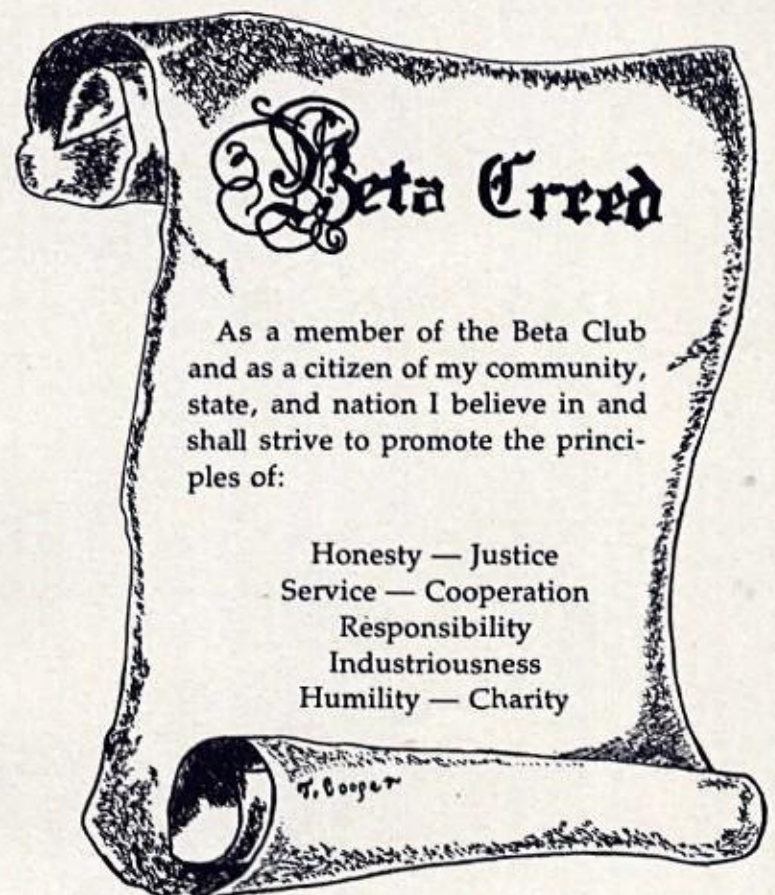

The Beta Club is composed of juniors and seniors who have and maintain an overall 90 or above average. The highlight of the club's year was participation in the state convention. In order to raise funds, the club sponsored two bake sales, the concession stand at all home

basketball games, and a fish fry.

Officers of the club: President — Russell Lasiter, Vice-President — Peggy Harris, Secretary — Brenda Sawyer, and Treasurer — Travis Burke. Mrs. Meads is the advisor.

Bonnie Underwood operates the concession stand.

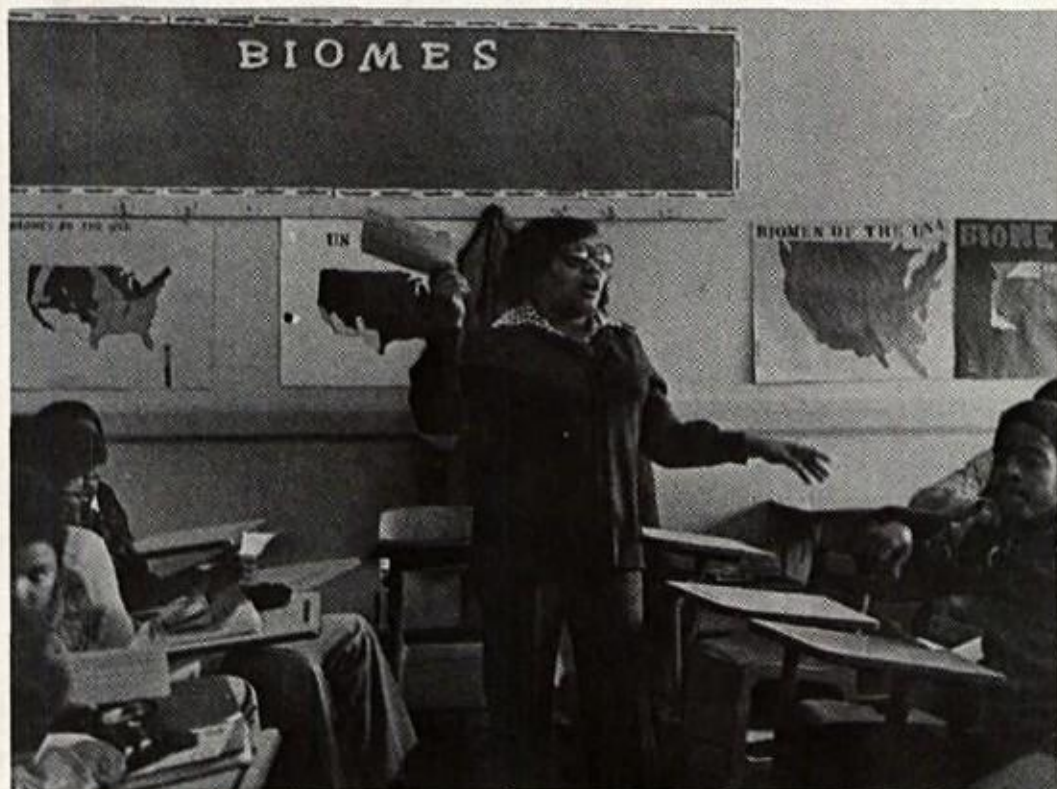

BIOLOGY CLUB

The Biology Club had a more active membership this year than previously. They were involved in several activities. Among them were resource speakers at meetings, an annual contribution to the library for the purchase of a set of encyclopedias of the Animal Kingdom, and participation in the Regional Science Fair at ECU in Greenville.

Officers of the club are: President — Linda Overton, Vice-President — Michael Bullard, Secretary — Cathy Wells, Assistant Secretary — Helaine Jones, Sargeant at Arms — Nathan Carson, Historian — Rene Bowser, and Reporter — George Perry. Mrs. Driver is the advisor of the club.

Mrs. Driver addresses BIOS members.

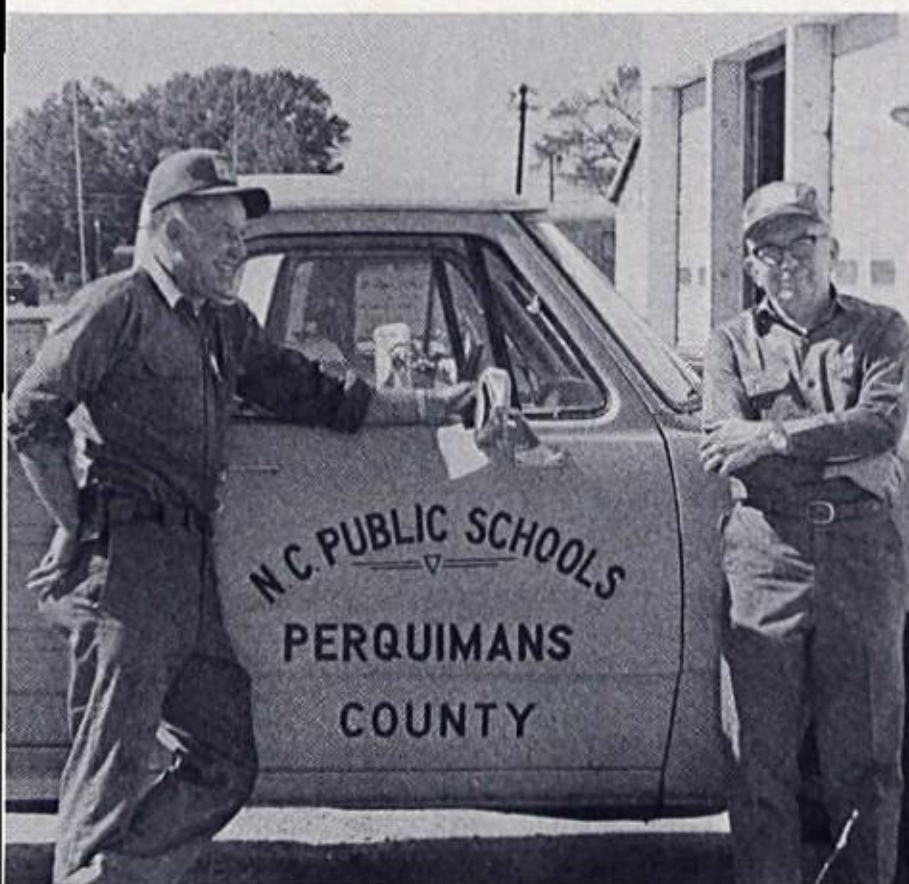

Toni Spellman feeds club's mascots.

BUS DRIVERS

The Bus Drivers at PCHS have the job of seeing that students arrive at school safely and on time. This is a great responsibility for teen-agers. Driving a bus means getting

up early even when wanting to stay in bed on cold mornings. However, there is one advantage — receiving a paycheck at the end of the month.

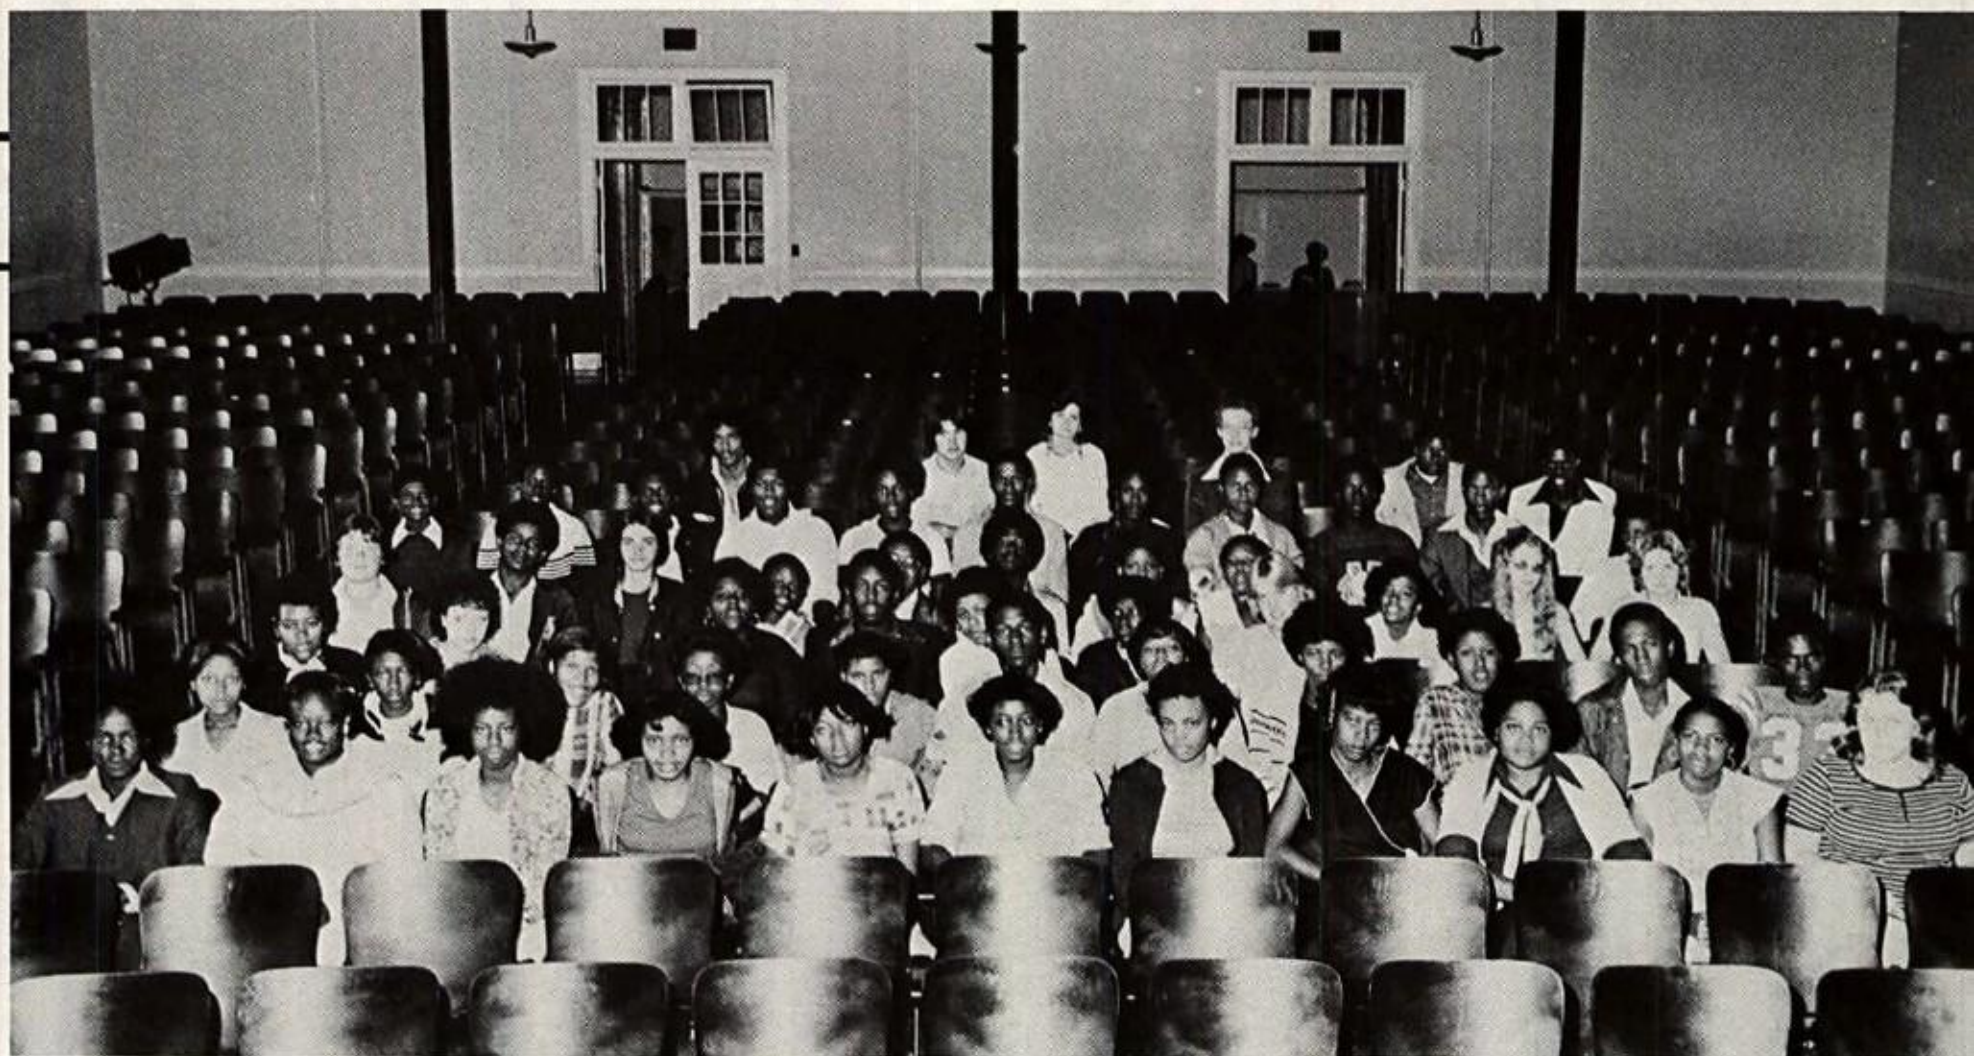

W.O. "Red" Elliott and "Pete" Riddick are the bus mechanics.

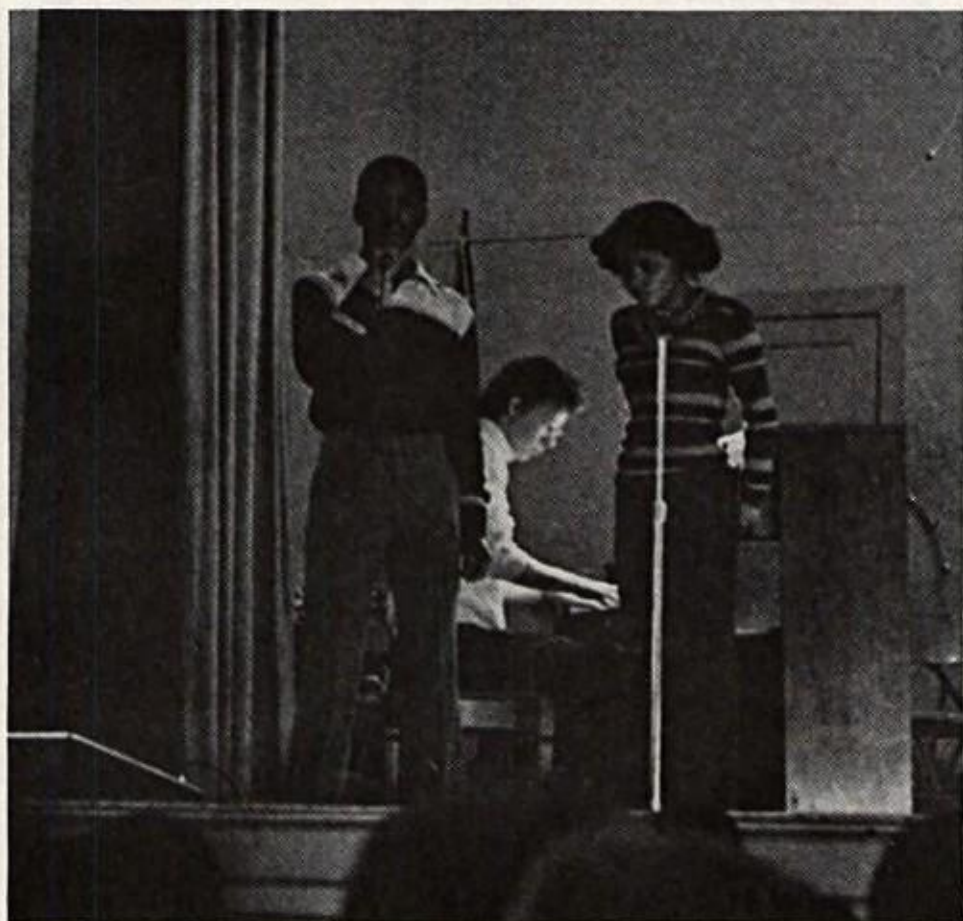

"Man-eating bus"

CHORUS

It seems that the chorus at PCHS gets better and better each year. The chorus presented a Christmas program featuring sacred and secular music to the public and also to students at Union School and PCHS. It provided a refreshing break for students from the regular routine of classes. Students were

fortunate enough to hear some outstanding specials from soloists and other groups. They also performed at graduation, presented a Spring Concert, and participated in the Arts Festival. The chorus is directed by Mrs. Lavezzo.

Walter Overton and Wendy Walton perform for the student body.

Lyn Winslow is the pianist for the chorus.

COOPERATIVE OFFICE OCCUPATIONS

The Cooperative Office Occupations class is composed of seniors interested in business occupations. They learn the basic skills for employment in office jobs. COO girls learn business filing, recordkeeping, payroll, letter

writing, operation of machines, and other various duties of a secretary. Several girls are employed in local businesses. Mrs. Joann Stallings is the teacher of this class.

Cathy Allen demonstrates the use of the duplicator.

The COO girls are always striving to perfect their skills.

DRAMA CLUB

The Drama Club at PCHS is much smaller this year than last year. It is a result of combining the club and the drama class. Mrs. Barber, the advisor of the club, felt that this way students would receive credit for their work.

Last year the club presented a three-act comedy, which is featured on page 87. This year they presented a play in the spring. The Art Club aided in building the stage sets.

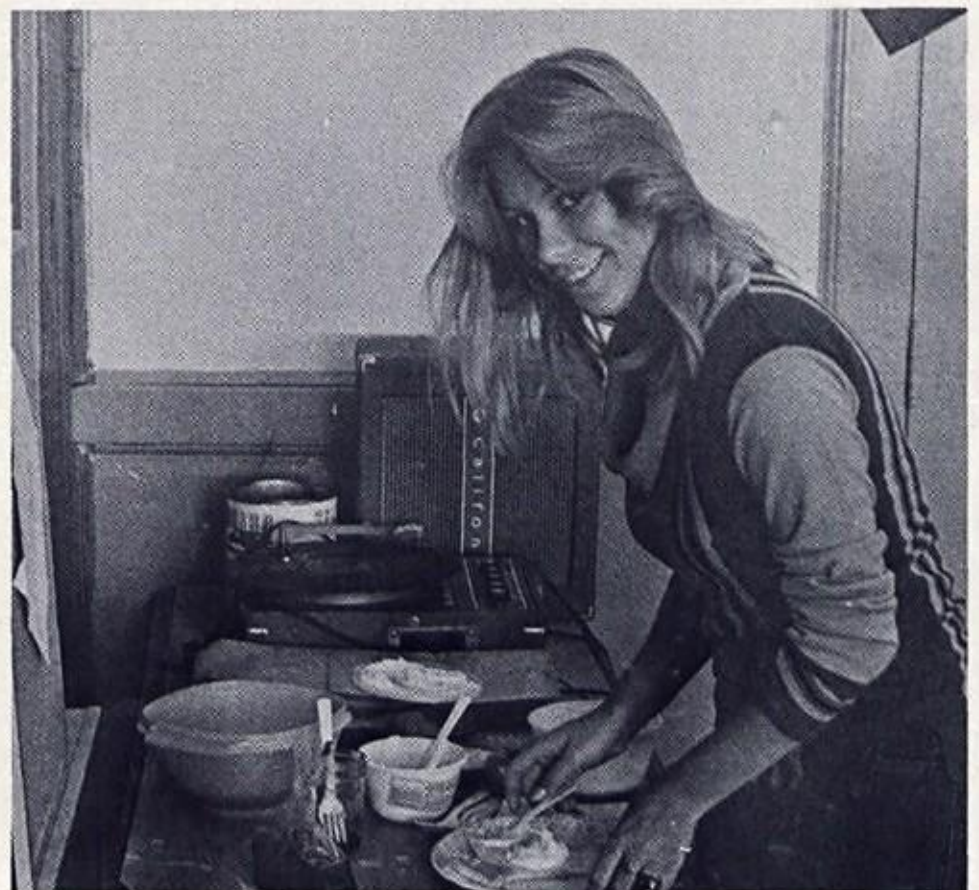

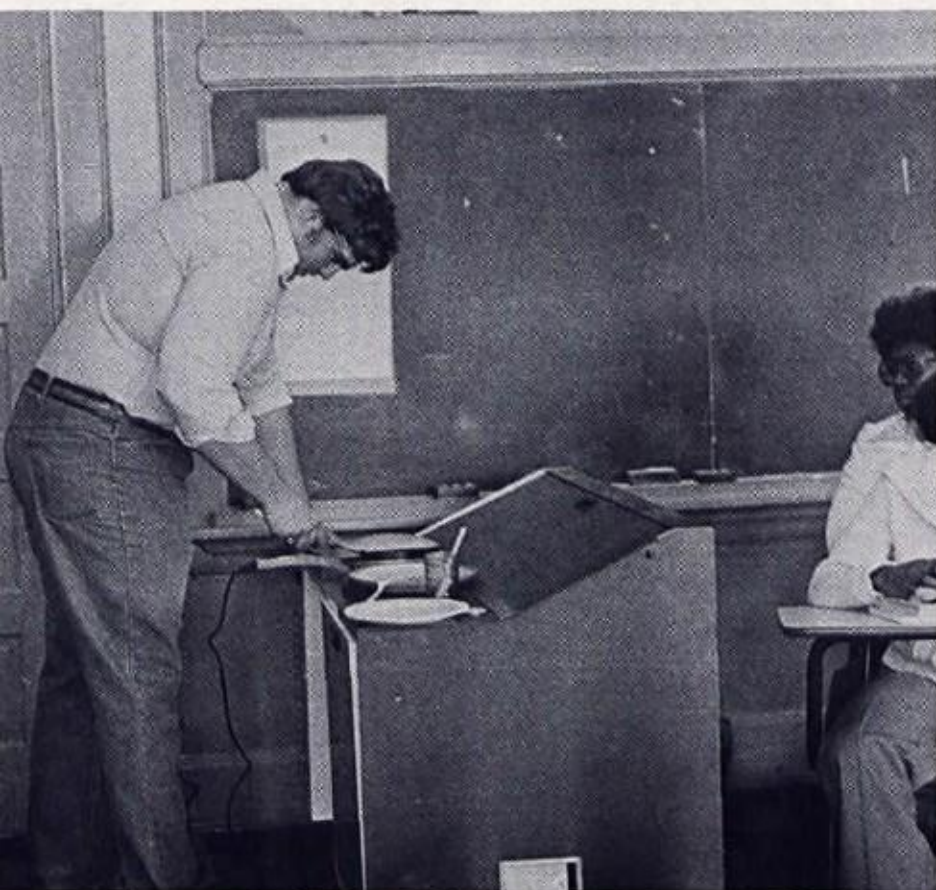

Students perform in Oscar Wilde's three-act comedy "You Can't Take It With You."

LE CERCLE FRANCAIS

The French Club enjoyed a very good club membership this year along with an active schedule. They wrote and presented French skits. They attended a French play at U.N.C. They also visited a French restaurant in Norfolk.

Officers of the French club are: President — Linda Overton, Vice-President — Travis Burkner, Secretary — Kim Rountree, Treasurer — Toni Spellman, Parliamentarian — Russell Lassiter. Advisor of the club is Mrs. Wright.

a Leadership Conference, and entered a float in the Hertford Christmas parade.

Officers of the club are: President — Cathy Allen, Vice-President — Patti Riddick, Secretary-Treasurer — Peggy Lowe, and Historian — Donna Stallings. Advisors of the club are Mrs. Dowd, Mrs. Byrd, and Mrs. J. Stallings.

The FFA placed representatives in various contests district-wide, including Forestry, Land Judging, Parliamentary Procedure, Creed, Extemporaneous Public Speaking, Public Speaking, Tool Identification, and Livestock Judging. The winner of the FFA Sweetheart Contest was Brenda Pierce. She represented the local chapter well at the Federation Contest at Northeastern High School. For more information about these contests, see page 92.

Leadership Workshop, District I Rally, State Convention, and other field trips. Magazine sales helped to finance these activities.

Officers of the club are: President — Ricky Owens, Vice-President — Michael Cartwright, Secretary — Charlie White, Treasurer — Randy Winslow, Reporter — Jack Dail, and Sentinel — Elton Layden. Albemarle Federation Officers who are members of the local chapter are President — Ricky Owens and Secretary — Mark Stevenson. Mr. Copeland and Mr. Riddick are advisors of the chapter.

The club took its annual educational tour of Washington, D.C. in the

spring. One of the major activities of the club is sponsorship of the Freshman Orientation Day. Officers of the club are: President — Cynthia Wills, Vice-President — Cheryl Parker, Secretary — Wendy Walton, and Treasurer — Freda Vaughn. Advisor is Mr. Midgette.

Linda Overton greets students as they arrive for Orientation Day.

Angela White leads a group around campus.

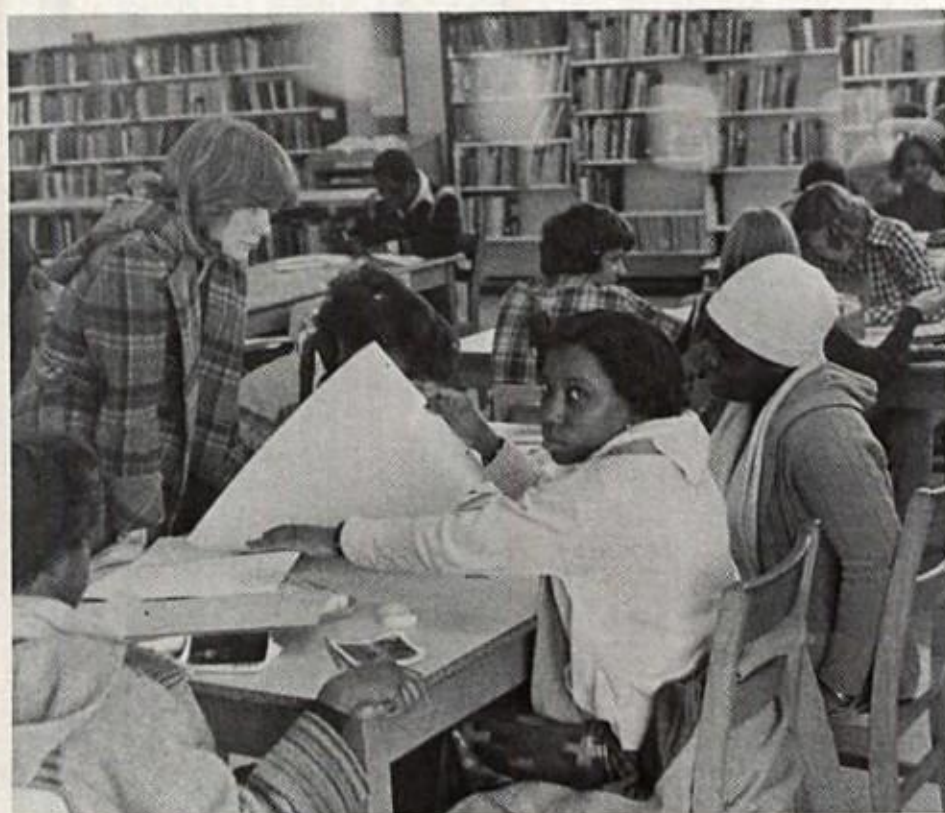

GALLEON STAFF

The best description of the work the Galleon Staff does every year is this, your annual. Many hours of hard work and intense concentration are involved in the publication of this book. Memories, both good and bad, are compiled in your yearbook.

The staff had to meet four deadlines and take seem-

ingly untold millions of pictures in the course of the year. They also sold ads all through the summer to pay for publishing the annual. The staff studied publishing terms and put them to practical use by learning to draw layouts, write copy, and process pictures. The advisor is Mrs. Harrell.

Staff members are busy recording memories.

HEALTH CAREERS CLUB

The Health Careers Club had a very busy year. All proceeds from their projects were used to help others. Some of the projects included making plaques for the elderly to send to rest homes; taking food, Christmas tree, and toys to two needy families; selling Heart Fund balloons; sponsoring a cerebral palsy walk-a-thon; and collecting for the American Cancer Society. Twelve club members successfully completed

the candy striper course and volunteered their services to work at Albemarle Hospital. The club also sponsors a \$100 scholarship to an outstanding senior interested in a medical career.

Officers of the Club are: President — Dee Hurdle, Vice-President — Jacki Sawyer, Secretary — Karen Butt, Treasurer — Donna Phillips, and Historian — Nona Cooper. Miss Pritchard is their advisor.

Club members sell Heart Fund balloons.

Sheila Rountree practices taking blood pressure.

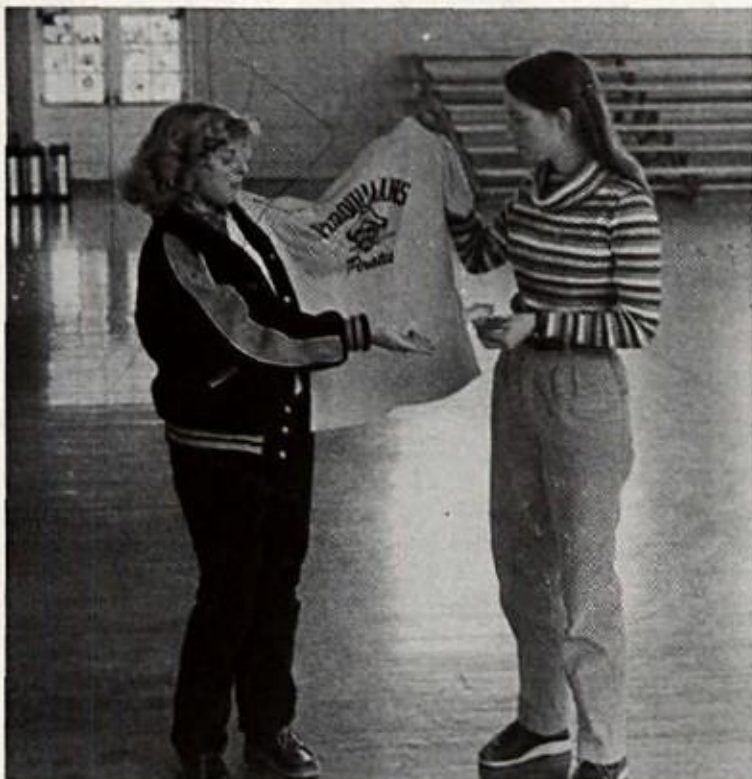

LETTER CLUB

The Letter Club is composed of those girls who have lettered in either a sport or cheerleading. Stiff requirements have to be met for a girl to receive a letter. Only a few work hard enough each year to earn this award. This year fourteen girls were eligible to join the club.

The club sold T-shirts and Pirate jerseys to raise money to buy athletic equipment for the gym.

The girls participate in softball and basketball. In the future, the school hopes to offer more in the athletic curriculum for girls. Mrs. Rogers is the advisor.

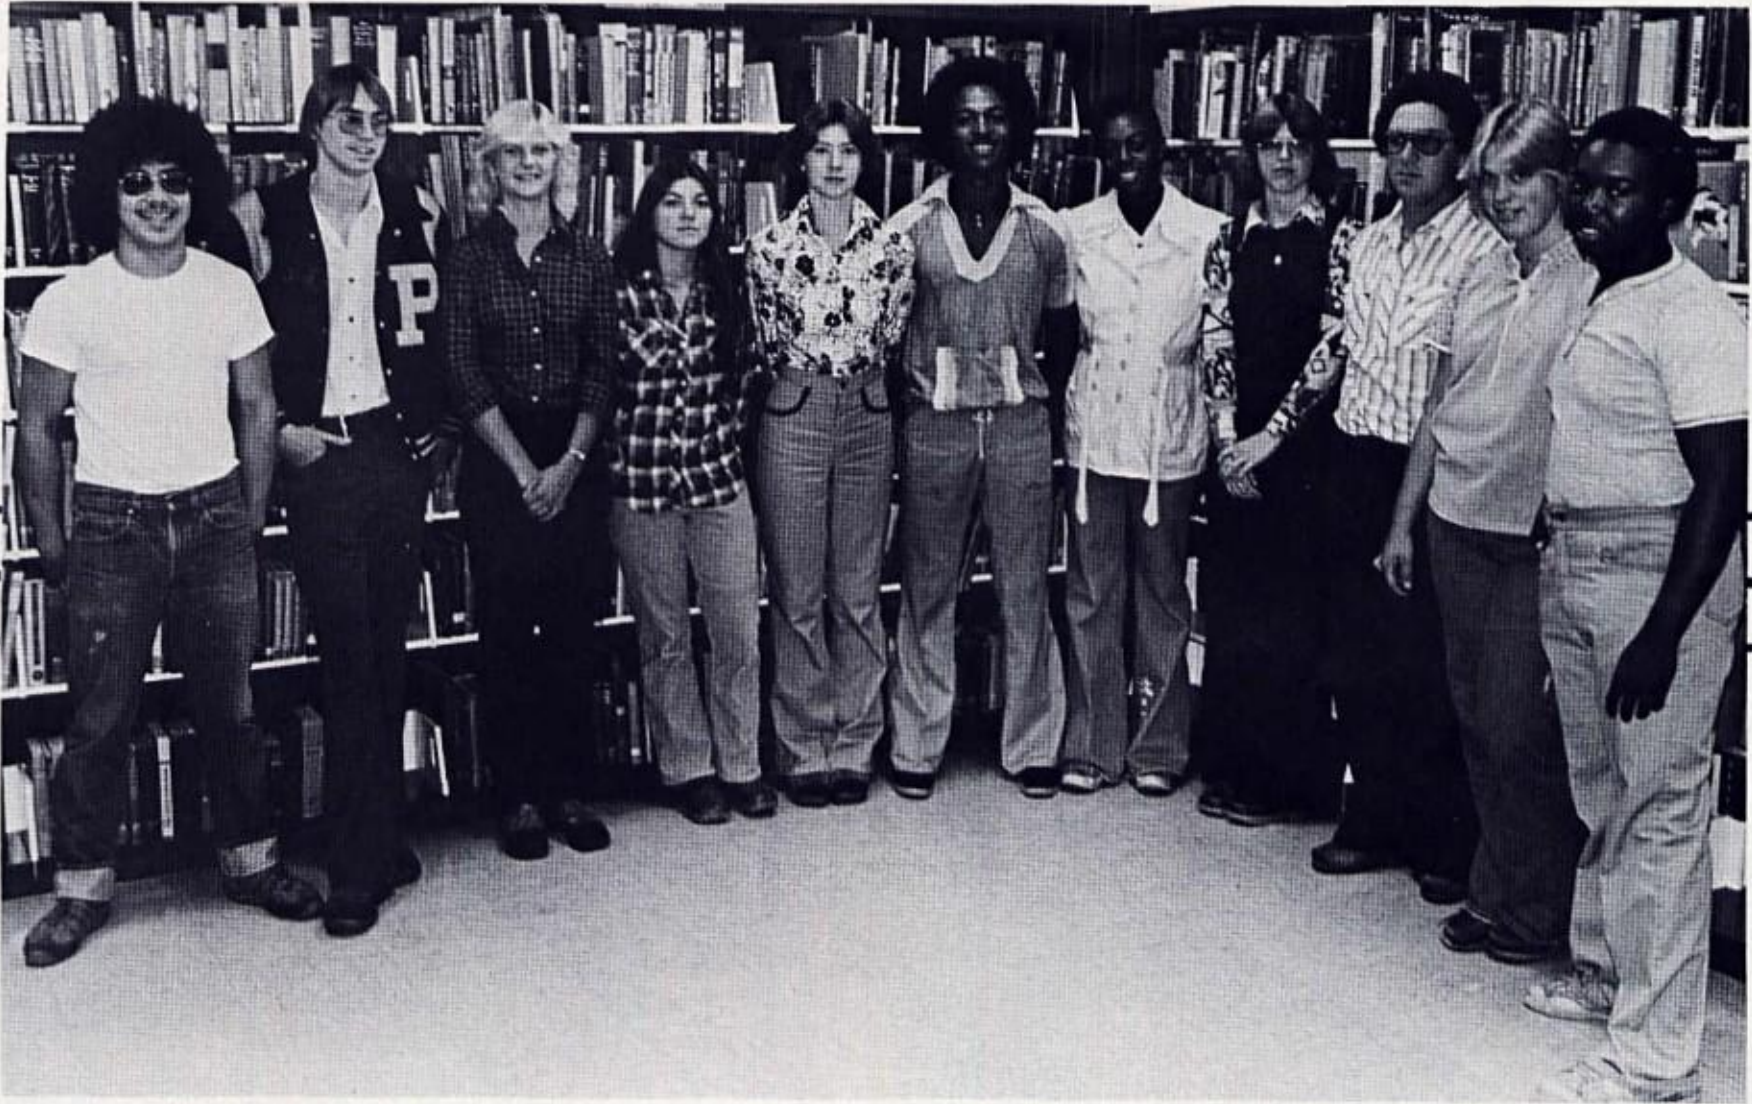

Bonnie Underwood sells Gwyn Trueblood a T-shirt.

What did '78-'79 mean to you? Was it just another year to struggle through? A long drag that seemed to never end?

Or was it what YOU made it?

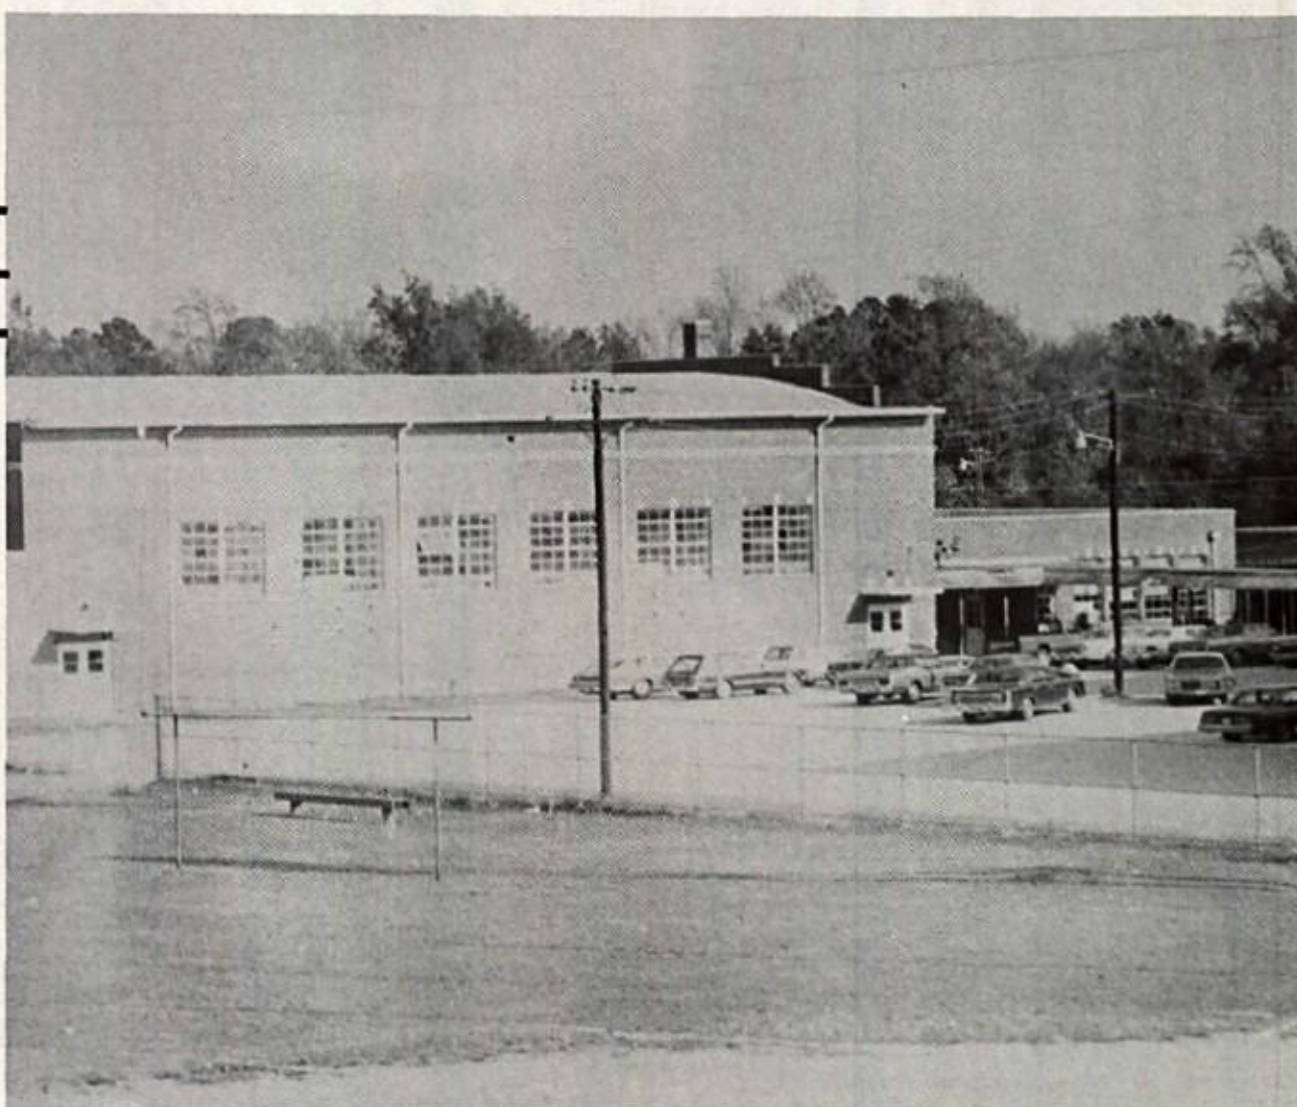

True, it was not an outstanding year. We didn't get a new school. The old school still leaks when it rains, still has too little heat when it's cold and too much heat when it's hot. The students didn't rebel any more than usual. Most of the sports teams had only so-so seasons.

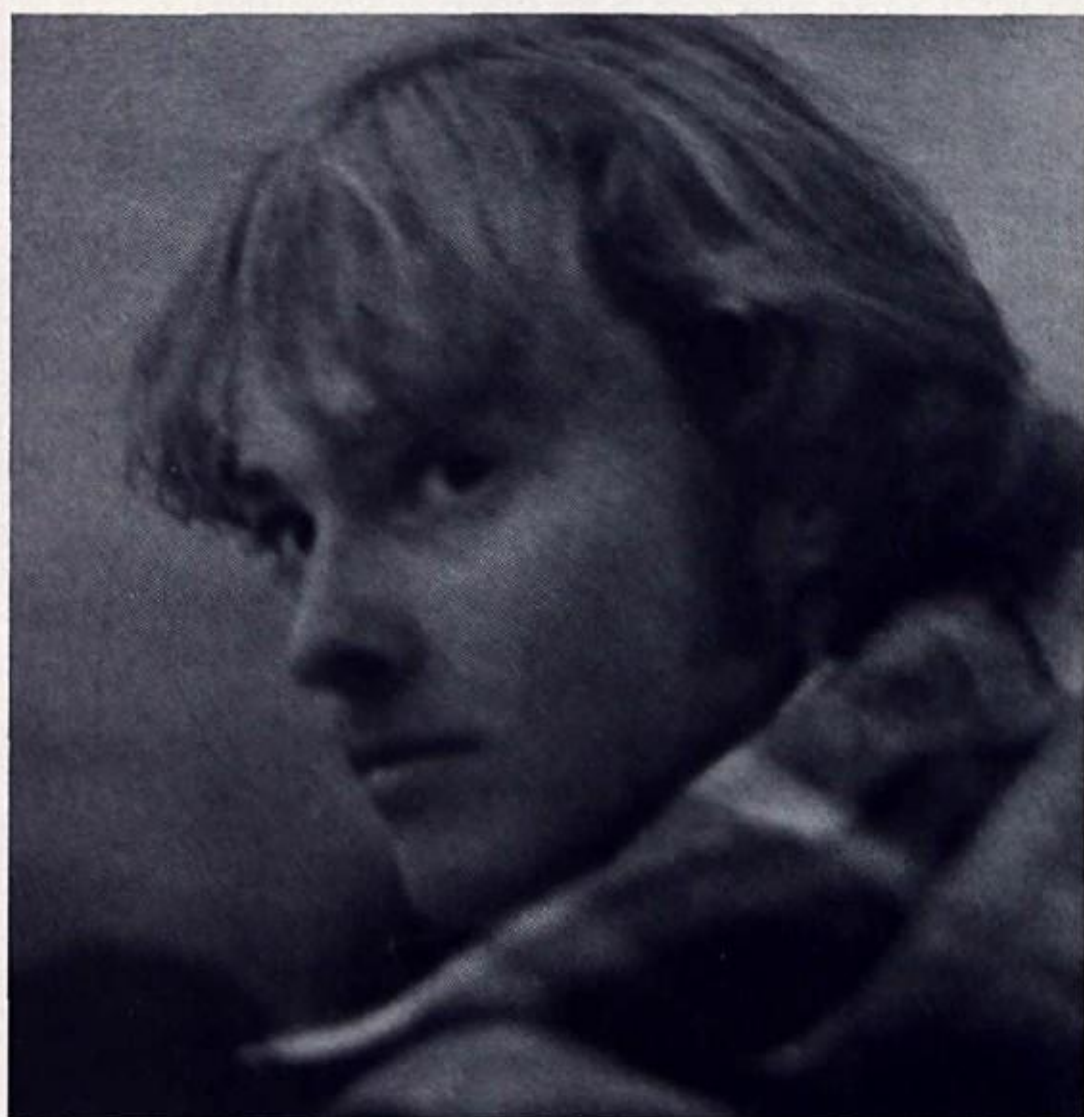

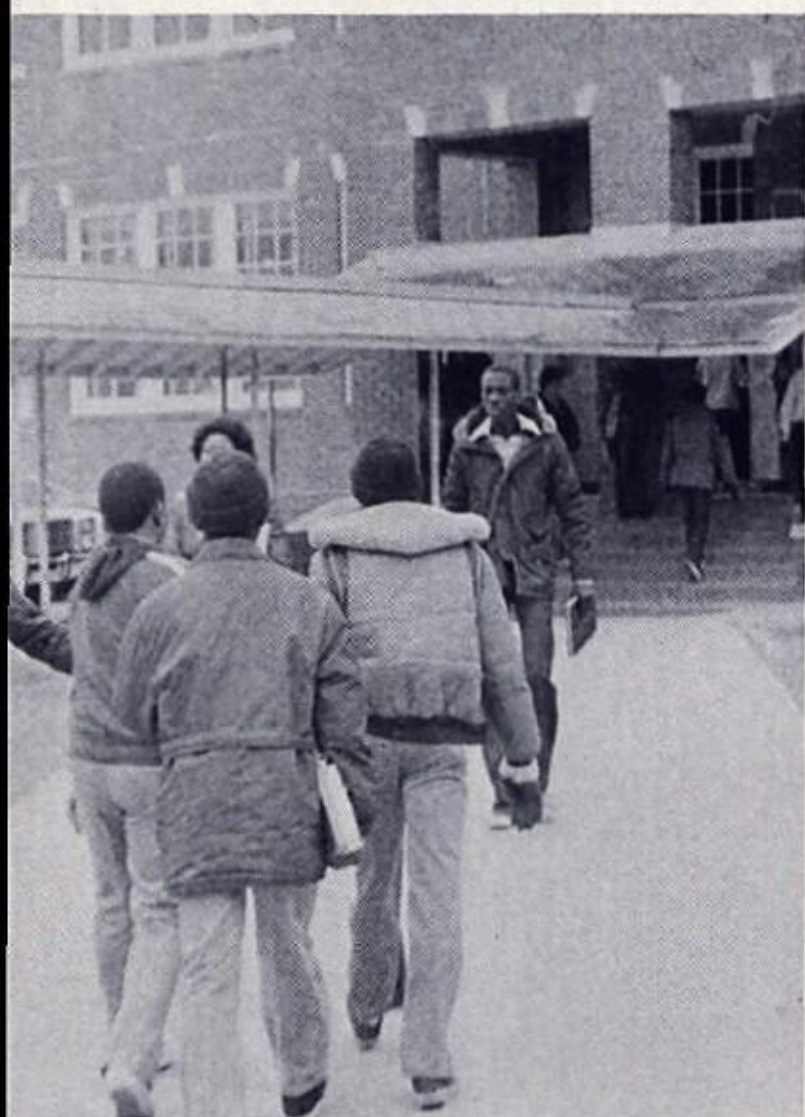

No, it wasn't an outstanding year. But then, it wasn't a bad year either.

I think it was what we made it. No more, no less. To me, it was a good year. To you . . . ?

Only you can write the epilogue to your year. It was different for every student out here. This year's GALLEON staff tried to show every viewpoint. Of course, it was impossible. We hope, however, that we showed at least the majority of view-points.
